CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a.) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

(Sec. e.) Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Powers and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the

Association remain sovereign and independent bodies and unite only that they may more effectively promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint as far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of the pastor and clerk and their post office addresses. 3. The terms of regular services. 4. All church statistics for the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amount contributed by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evengelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new

church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This Committee should keep a close watch on the needs of the Association for an adequate budget, for a well balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the Associational program of work and upon the ability and willingness of the churches to support the proposed budget.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This Committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

17. "Finance Committee"—This Committee shall have three members. They shall see that all expenditures are kept within the budget, and supervise all financial matters. This Committee shall counsel with the Financial Secretary during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of this committee to see that the Treasurer and Financial Secretary are properly bonded and that an audit of the books be made at least once each year.

18. "The Nominating Committee". This Committee shall recommend at each annual session of the Association all officers except the Moderator and Vice-Moderator.

19. "Home For The Aging" Committee: The work of this Committee is to encourage and to assist our churches in their support of our Home for the Aging.

16.	Missionary's Expense to Meetings	200.00
17.	Contingencies	285.00
18.	Associational Music Program	100.00
	TOTAL BUDGET	$12,471.52

RECOMMENDATIONS FROM BUDGET COMMITTEE

1. That the first six items be preferred items to meet current needs.

2. That the remaining balance of $230.53 be retained as an operating fund until such time as current receipts are sufficient for that purpose. This balance will then be deposited in the savings account.

3. That the Finance Committee of the Association present to each church an estimate of their proportionate share of the Associational budget. It is further suggested that as early as possible the Finance Committee solicit the support of each church in order to reach the Associational budget.

4. That each church be urged to instruct its treasurer to send its monthly contributions to the Associational office that the Financial Secretary might have funds to meet the bills as they come due.

REPORT ON ASSOCIATIONAL MISSIONS

The work of Associational Missions divides itself naturally into some 5 general areas.

Emphasis must be given to those areas in accordance with their relative and immediate need. Primary emphasis this year just closed has been on Enlistment and Promotion, by vote of the Association in its last annual session. Other areas have been given attention when the demand was pressing.

1. Enlistment and Promotion Activities

(1) **Enlistment Rallies:** Beginning in November, eight Enlistment Rallies were conducted with churches of the districts invited to participate. Emphasis was on the enlistment of churches in our whole program. Five nights were devoted to each rally. The book, "A Church Using Its Sunday School" was used as a basis for the discussions and award was offered for the study of that book.

(2) **Bible Loyalty Crusade:** Another effort to enlist our people in the total Baptist program was our Bible Loyalty Crusade in which William Burke, of our Home Mission Board, spoke in sixteen of our churches June 9-23.

(3) **The Bulletin:** The Associational office continues to publish "The Bulletin" in which all denominational causes are promoted and through which the people are kept informed of the Associational program and activities.

2. Educational Activities

(1) **Study Courses:** In addition to the study in connection with the Enlistment Rallies a number of study courses have been conducted in individual churches, some in Sunday School work and others in Training Union. The number of Sunday School Workers Training awards has shown a marked increase.

(2) **Central Training School:** Under the direction of the Training Committee of the Association a Central Training School was conducted October 22-26 with classes offered in all activities of the church. A total of 51 of our churches were represented with 1,165 enrolled.

(3) **Leadership Revival:** In February the annual Leadership Revival of the Association was held in the First Baptist Church. Three speakers were featured: Dr. Allen Graves of Louisville, Kentucky, Dr. Charles Trentham of Knoxville, Tennessee, and Dr. Vance Havener of North Carolina.

(4) **Vacation Bible School:** With the publication of a complete set of new text books more than usual attention to training of VBS faculties was necessary. Ten classes in the new guide book, "Better Vacation Bible Schools," were held in as many different churches with neighboring churches invited to participate. In addition three Bible School Clinics were held.

The Big Brother Plan for promotion of Bible Schools was announced and promoted.

The number of churches having a Vacation Bible School is not yet fully determined but it is apparent that we will be somewhat short of last year. This was expected, as we were not able this year to employ a summer worker in this activity.

3. Organizational Activities

Activity in each organization has increased this year and two new activities were added, the Associational Music Department and the Library Council. These activities will all be recorded in their own reports.

4. Extension Activities

Two types of activities have been carried on in this area:

Survey and Census: A survey of the North Buncombe area was carried out in cooperation with the other denominations operating in that area. Some sections carried out their survey in a remarkably effective way, notably the Weaverville section. While results were not as complete in all sections as in these, information gained can be of great value to the churches in the North Buncombe territory.

A complete survey was made in the Buena Vista territory with the West Asheville and Calvary churches assisting in the census. This, with the subsequent conferences with the church, has resulted in increased interest in a forward looking program of activity.

Missions: The one mission of the Association, Anderson Cove, has continued to operate this year as in years past. The Missionary held a revival meeting there in August, 1956. Services have been conducted every Sunday. A restudy of the situation has been started, looking towards a more effective work in the community with the possible transfer of the work to church control, in conformity with usual Baptist practices.

5. **Evangelism**

Evangelism has been stressed in all areas of activity, especially in the Enlistment Crusades and in Vacation Bible School preparation. Your Missionary has witnessed 35 professions of faith in services he has conducted and a number of rededications.

Two revivals have been conducted by your Missionary and plans are in progress for greater activity in this area. The Associational Committee on Evangelism is presenting definite plans for activity in the churches to encourage evangelism.

12. Dr. J. C. Canipe, President of the Baptist State Convention, was introduced by Moderator Hopkins and spoke on the Tithing Emphasis Program. He urged the Pastors to promote this program in their churches and challenged the people to participate.

13. Pastor J. Lester Lane welcomed those present and gave directions how to reach the recreation room where the noon meal would be served.

14. William A. Snyder, Pastor of the Beverly Hills Church, brought the Cooperative Program report as prepared by Chairman Nane Starnes who could not be present. On motion which was duly seconded the report was adopted and is given below:

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program is the Budget Plan by which we Baptist people carry on our multitudinous work at home and around the world. Each cause and institution that we support is placed into this plan in proportion as we deem to be the need in the field. This method of financing our work makes it possible for a child who gives a dime or the man who gives a thousand dollars to take part in all the work that we do: providing a home for the orphan child, supplying a hospital for the sick, supporting our schools and colleges, creating Christian literature for all ages, training preachers and religious leaders, preaching the Gospel at home and on foreign shores, and building New Testament churches around the world. Turn loose your imagination and you will discover how thrilling it is for a church to have a large part in extending the cause of Christ through the Cooperative Program.

Our one unfortunate fact is that our churches do not give as they should through the Cooperative Program. Which statement means that our churches are not as mission minded as they ought to be. We raise money freely to build new buildings and enlarge the local program, but allow the Cause of Christ beyond our own community to suffer because we lack vision and burning hearts.

So far as we know, there is not one of our churches that is giving less to the Cooperative Program in dollars and cents than they use to give, however, unfortunately some of our churches in the Buncombe Association give a smaller proportion of their total budget to the Cooperative Program than they use to give. Twenty-five years ago North Carolina Baptist churches gave about 20% of their total budget (on the average) to the Cooperative Program causes. Now we are sad to admit we give only about 15% of our total church budgets to the Cooperative Program (on the average). This means that right here in our association are churches that are giving a smaller proportion of their gifts to the Cooperative Program causes than they did twenty-five years ago. This fact should call for some heart searching on the part of our pastors and church leaders.

It is our recommendation that the Cooperative Program be put into the church budgets on a percentage basis — a percentage of the total dollars given. Thus as the budget goes up the gifts to missions will go up in proportion. Then the church that is really anxious to advance in mission giving could add to that percent year by year.

It is our conviction that there is not a church in our association that could not give as much as two percent more of their total budget to the Cooperative Program next year. This is our plea: First that the Cooperative Program be put into the church budgets on a percentage basis of the total budget, and second, that this percentage shall be enlarged each year — thus our churches may advance in the matter of extending the Cause of Christ around the world.

Nane Starnes,

Chairman Cooperative Program

15. Moderator Hopkins recognized and welcomed Rev. H. M. Hocutt, former Missionary, and asked him to come to the platform and say anything that was on his heart.

16. The congregation stood and sang, "All The Way My Saviour Leads Me," with A. L. Summers leading. Mrs. Frank Hopkins was at the piano and Mrs. C. I. Poor at the organ.

17. Special music, "My All In All," was brought by Mr. Summers with Mrs. Poor at the organ.

18. L. D. Munn, Pastor of the Weaverville Church, brought the Introductory Sermon. His subject was, "Our Greatest Need, Christ." Scripture reading was taken from the 8th Chapter of Deuteronomy, verse 2 and 19 and the first portion of the first verse of the 12th Chapter of Ecclesiastes. It was a good message and timely. At the close of his message Mr. Munn offered the closing prayer and gave thanks for the noon day meal. A delicious lunch served by the ladies of the Calvary Church was enjoyed by the group.

TUESDAY AFTERNOON SESSION

19. The Tuesday afternoon session began at 1:40 with the congregation singing "We're Marching To Zion," with A. L. Summers leading. Lawrence Pruitt, Pastor of the Fairview Church, read the Third Chapter of First Corinthians and led in prayer.

20. Under the leadership of A. L. Summers the congregation stood and sang, "I Am Thine O Lord." Mrs. Poor was at the organ and Mrs. Hopkins at the piano.

21. Moderator Hopkins brought a recommendation from the Executive Committee that the Associational W. M. U. be given one page in the Associational minutes for reporting pertinant facts of their annual W. M. U. meeting. Motion was made and seconded that recommendation be accepted. This report appears in a separate section following the historical tables.

22. Charles W. Smith, Chairman of the Nominating Committee for officers of the Association, with the exception of the Moderator and Vice-Moderator, and for head officers of the various organizations presented the report of the committee. Officers were approved and elected as nominated and their names can be found under "Officers of Associational Organizations."

23. Following the report of the Nominating Committee Pastor Woodrow Flynn made a motion that the Committee on Committees be asked to bring the names of five people to serve as a Missions Committee to formulate a program of Missions for the Association. A discussion followed with Frank B. Robinson, Missionary Robert T. Hughes and William A. Snyder taking part. Pastor Snyder made a motion that Pastor Flynn's recommendation be amended to the effect that those named to serve on this committee be appointed from members of the Executive Committee. A. J. Buckner seconded the motion and it was passed. The following were named to serve on this committee: W. G. Russell, L. D. Munn, J. Lester Lane, Z. W. Rotan and J. Lloyd Wolfe.

24. The Sunday School report was presented by C. H. Dean. Mr. Dean made a motion that the report be approved. Herman Ihley, State Sunday School Secretary, was introduced and spoke to the report after which it was adopted.

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL WORK

The work of the churches in the field of Bible Study continues to grow. This is evidenced by a net gain in enrollment over last year. Further evidence of better work is found in the increased number of Workers Training Awards earned by the churches. More of the churches are entering in to the Workers Training Study and more of our people are earning awards.

Our organization cooperated with the Training Committee of the association last October in conducting the Central Training School.

The Workers Conference for the Sunday School workers of the churches has been held every month, twelve sessions in all. Our associational officers have been faithful in their attendance.

Plans are in progress to work with the Training Committee to make the Southwide Sunday School Clinic in Asheville Jan. 20-24, 1958, the greatest possible success.

We recommend:

1. That the Associational organization be continued and maintained and that the churches be urged to avail themselves of the help it offers.
2. That the churches be urged to have planning meetings during Preparation Week in their Sunday Schools and that definite progress goals be set to encourage their greater effort.
3. That the churches be urged to observe all special days and seasons promoted by the denomination and to report their activities and results to the Associational office.

C. H. Dean, Associational
Sunday School Superintendent

25. Associational Training Union Director, Mrs. F. C. Miller, brought the Training Union report. Mrs. Miller made a motion that the report be adopted and recognized W. H. Spradlin, Jr., Associate in the State Training Union Department, who spoke to the report and then it was adopted.

TRAINING UNION REPORT

Last October a Central Training School was held at the First Baptist Church. Several of our churches earned Training Union Awards. During the year 50 of our churches have received more than 2,500 awards. We have a goal of 65 churches receiving awards for the coming year.

This year our Association had participants in all of the contests. Junior Memory Work, Intermediate Sword Drill, Young Peoples' Speaking, and Adult Scripture Reading. We were represented in all of these at the Regional Convention, and in the Junior Memory Work and Young Peoples' at the State-wide Contest.

We now have Training Unions in 62 of our churches. Our goal for next year is Training Unions in 65 churches.

"M" night attendance set a new record of 1,311. Dr. Willis Bennett of Red Springs brought the message. A goal of 2,000 has been set for this year at "M" night on December 2nd.

Youth night was held at Calvary Church, under Youth leadership, with 210 present. The excellent program was followed by a social hour of fellowship. This year's attendance goal is 300.

Meetings have been held each quarter, according to the southwide plan, and our standard rating has been maintained since March 1955.

Our slate of officers for the coming year has been chosen carefully and with prayer. We invite all pastors and church leaders to do all you can to help us in the task of training for service.

Mrs. F. C. Miller
Training Union Director

26. Miss Vonnie Lance, Associational W. M. U. Superintendent, gave the report of the Woman's Missionary Union. Motion was made that the report be accepted. Miss Lance recognized Mrs. Lynn Buckner, Associational Youth Leader, who made announcements concerning the Regional W. M. U. Conference September 10 and the Associational Mission Study Institute October 1. Miss Lance spoke to the report which was seconded and adopted.

REPORT OF WOMAN'S MISSIONARY UNION

According to the best available information, there are Woman's Missionary Societies in 53 churches in the association which leaves 37 churches with no WMU organization. The following figures reveal what was gleaned from the 38 reports received for last quarter. With fifteen reports missing, it could hardly be said that this is a complete picture of the work:

No. of Woman's Missionary Societies, 53; Young Woman's Auxiliaries, 15; Girls' Auxiliaries, 39; Sunbeam Bands, 26. No. of WMS members, 2,066; YWA members, 180; GA members, 461; members of Sunbeam Bands, 439. Twenty-seven Woman's Missionary Societies participated in some phase of community missions: 8 YWA's; 31 G. A.'s and 9 Sunbeam Bands. Reports indicated that in the 38 churches heard from, 1,540 women are giving through the Co-operative Program; 88 YWA's; 277 G. A.'s and 163 Sunbeams. There are 1,087 tithers in Woman's Missionary Societies; 63 YWA's and 215 G. A.'s.

The annual meeting of the Buncombe WMU was held on April 26 at the Biltmore Baptist Church with Mrs. E. B. Sullivan, former superintendent, presiding. Mrs. John Waycaster, Mrs. John Lake and Mrs. J. R. Morgan were the guest speakers.

Efforts are being made to have at least one meeting in each of the 10 districts in the association. Perhaps the most live group connected with the WMU are the buiness woman's circles. These have formed a Federation and it meets quarterly with outstanding speakers to bring missionary information. The YWA's, the G. A.'s and the Sunbeams have had separate meetings or rallies with encouraging results. Mrs. Lynn Buckner is the youth director in the association. Under the leadership of Mrs. J. C. Pipes a mission study institute was held last fall and another is being planned for October 1. The most largely attended gathering yet held was last winter when all the organizations were invited to come together for mission study at Calvary Church. There were over 300 people present and Mrs. Pipes and Mrs. Buckner who sponsored the movement were almost embarrassed by their success.

It is hoped that as we enter upon another year of activity greater progress can be made so as to glorify our Lord whose we are and whom we serve.

Vonnie E. Lance,

WMU Superintendent

27. Brotherhood President, John L. Lawrence, read the Brotherhood report. Motion was made that the report be adopted. The report was discussed by Mr. Lawrence and he gave special emphasis to the Brotherhood Officers' Clinic to be held September 30-October 5 at the Calvary Baptist church. The report was adopted following discussion.

BROTHERHOOD REPORT

Men are on the march. This is literally true for the interest in our Brotherhood work is moving forward in a wonderful way. Brotherhoods are being organized and interest of those organized is being renewed and quickened in the service of our churches.

The Brotherhood seeks to enlist men in the full program of the church and help the pastor promote his plans for church growth and development. The primary aims of the Brotherhood during the past year have been four-fold: Evangelism, Boys' work, Stewardship and the Cooperative Program.

Certainly the one big job of the church is evangelism and so the men have been enlisted and encouraged in personal soul winning and witnessing for Christ. We should always be interested in the development of our boys but certainly the responsibility of our Royal Ambassadors should be a challenge to our men. It is most encouraging to see how the men of our churches are accepting this challenge and opportunity for a real service.

A large number of our men attended the Brotherhood Convention last November in the beautiful chapel at Wake Forest.

A Regional Convention was held during the year at the First Church which was well attended with an excellent program.

During the year 4 quarterly associational meetings were held. The president deeply appreciates the splendid support of the Associational Missionary and the fine cooperation of the associational officers in promoting the Associational Brotherhood work.

We had representatives attend the State Baptist Brotherhood Conference held at Fruitland the latter part of June. Plans were begun at this meeting for an attendance of 5,000 men at our state Brotherhood Convention in Raleigh in November.

We would like for all the pastors and churches of the association to know that the Associational Brotherhood officers are your officers and that they are ready to help in the organization of the work of Brotherhoods already organized. We will appreciate an invitation to serve you.

J. L. Lawrence, Associational
Brotherhood President

28. C. W. Bazemore of the Biblical Recorder was recognized by the Moderator and spoke briefly concerning Baptist periodicals.

29. The report on Christian Education was given by Mrs. George Pennell. Motion was made that the report be adopted and Mrs. Pennell introduced Dr. C. H. Holt, Vice-President of Mars Hill College, who spoke to the report after which it was adopted.

REPORT ON CHRISTIAN EDUCATION

When many of us here today were children, we heard our grandmother or grand-father say — "Well, the proof of the pudding is in the eating." Our Lord expressed it this way, "By their fruits ye shall know them." Is this not a very apt description of what our Christian colleges are doing for our young people today?

In this day of change, when anything thought of or produced yesterday is in the process of being outmoded and outdated, we are grateful that the principles and teachings of Jesus are followed and taught

to young people in our colleges, and we want to keep it that way. We are looking to these colleges for our denominational leaders for tomorrow, and in the measure that we support them financially, and spiritually today we can expect to reap these leaders for tomorrow.

We are grateful for our seven colleges in North Carolina.

CAMPBELL COLLEGE, Buie's Creek. Dr. Leslie Campbell, President. More than 90 percent of the students are from North Carolina.

CHOWAN COLLEGE, Murphfreesboro. Dr. Bruce E. Whitaker, President. Their purpose is to give all enrolled students an understanding and appreciation of the ideals of religious fundamentals which can be adapted to a positive Christian philosophy of life.

GARDNER-WEBB, Boiling Springs. Dr. Philip Elliot, President. This is a co-educational college, offering a liberal arts course, with a community service idea at its heart.

MARS HILL COLLEGE, Mars Hill, Dr. Hoyt Blackwell, President. "The fundamental purpose of Mars Hill College is to produce sane and capable Christian leaders in all walks of life."

MEREDITH COLLEGE, Raleigh, Dr. Carlyle Campbell, President. This is a 4 year college for girls. The college policy is 'To be primarily concerned with deepening and broadening the spiritual experience of its students and prepare them for maximum service in the Christian enterprise."

WAKE FOREST COLLEGE, Winston-Salem. Dr. Harold W. Tribble, President. A co-educational college of the liberal arts and sciences, Religion, law, business and medicine. The objective for its 2,000 students is to train educated Christian leaders for the years ahead.

WINGATE COLLEGE, Wingate. Dr. Budd E. Smith, President. Wingate has grown from a three room wooden strucure with 45 students to a million dollar campus with 650 students. Motto: "Our hearts and souls are on fire with plans for serving tomorrow."

From the report of the Council of Christian Education we learn that there was a 15 per cent increase in enrollment in our Baptist Colleges last year. We had an entire enrollment last year of some 5,877 students, with 490 of them ministerial students and 284 volunteers for Christian service.

Our gifts to our colleges in North Carolina this past year was approximately $850,000.00.

Could we have a worthier objective as a denomination than to support these colleges financially, and give them spiritual support and guidance and keep as best we can, the Campus for Christ?

Mrs. George Pennell

30. Under the direction of A. L. Summers the congregation stood and sang one verse of "Higher Ground."

31. Miss Elaine Summers brought special music, "Somebody Needs Your Love." Mrs. Poor was at the organ.

32. Dr. W. Perry Crouch, Pastor of the First Baptist Church, brought the Report on Evangelism. Motion was made by Dr. Crouch that the report be adopted. Dr. Crouch then spoke to the report. The adopted report is given below.

REPORT ON EVANGELISM
to Buncombe Baptist Association

August, 1957

Your Committee on Evangelism has talked with our Associational Missionary and with the pastors of our Association concerning a program that would cover the next two years in our Association. We believe that evangelism is something that should be carried on continually in our churches and should be undergirded once or twice per year with a revival in every church in our Association.

In order to facilitate these aims we recommend that every church have an evangelistic committee and that they seek to carry on a continual program of soul winning. To help us begin such a program, we recommend.

1. That we invite Rev. Julian S. Hopkins, secretary of evangelism of our Baptist State Convention, to direct a soul winning clinic to be held at a central location in our Association the evenings of September 16 and 17. We would urge all of our churches to select their committees on evangelism and bring them to this clinic along with other church leaders that they may enlist in attending.

2. That our Associational missionary lead out in seeking to get every church to plan for a revival during this next associational year. The missionary and the Committee on Evangelism would seek to guide in the dates in such a way that some church would be in a revival almost every week during the year. The other churches would be enlisted in prayerful support for this revival.

3. That every church plan a period of preparation before their revival during which time they would teach a book on soul winning and plan for cottage prayer meetings.

4. That the Association go on record now as favoring participation in the simultaneous revival effort of our Baptist State Convention in the spring of 1959. We further recommend that we pledge our support to Rev. Julian S. Hopkins, our State Secretary of Evangelism, in his promotion of this simultaneous revival effort in our Association and in the Baptist State Convention.

5. We urge every church to seriously study their records of baptisms and to earnestly consider the evangelistic needs in their community. We hope the time will come when every church in our Association will report baptisms each year to our annual Association.

W. Perry Crouch, Chairman
Evangelistic Committee

33. Motion was made and seconded that the meeting be adjourned and Rev. H. M. Hocutt led the closing prayer.

WEDNESDAY MORNING SESSION

34. The Wednesday morning session began at the Deaver View Baptist Church at 9:30 with Frank B. Hopkins, Moderator, presiding. The congregation stood and sang, "The Church's One Foundation," led by Carl Perry, Director of Music at the First Church, with Mrs. Robert T. Hughes at the piano.

35. C. O. Vance, Pastor of the Mount Carmel Church, brought the scripture reading from the 4th Chapter of Ephesians and led in prayer.

36. The hymn, "Are Ye Able," was sung by the group with Carl Perry leading and Mrs. Hughes at the piano.

37. The following visitors were present and recognized during the morning session: W. C. Reed of the Baptist Children's Home, Thomasville, Dick Young, Representative of the Baptist Hospital, Winston-Salem, and James Hayes, Superintendent of the Homes for the Aging, Winston-Salem.

38. The Moderator recognized Mrs. Lynn Buckner, Associational W. M. U. Youth Leader, who made announcements of an Associational Y. W. A. meeting to be held Monday evening, August 19, and the Regional Leadership Conferences to be held September 10th.

39. Missionary Robert T. Hughes brought a recommendation that the Constitution and By-Laws be amended to incorporate the action taken at Tuesday's session in naming a Missions Committee. The recommendation was as follows: "Delete: "Work heretofore under the supervision of the Missions Committee shall become a part of the work of this committee," and add: "A Missions Committee of five members of this committee shall be appointed annually to be responsible for giving direction to the work of Associational Missions and implementing the Associational Missions program," to Article 11 "The Executive Committee." Motion was made and seconded that recommendation be approved by a standing vote. Motion carried.

40. With nominations open from the floor, G. Hanford Hamby, of the Oteen church made a motion that Frank B. Hopkins be re-elected Moderator of the Association. Motion was seconded and Moderator Hopkins was reelected unanimously by a standing vote. E. J. Hall, Pastor of the Macedonia Church, made a motion that C. O. Vance, pastor of the Mount Carmel Church, be elected Vice-Moderator of the Association. Motion was seconded and on a standing vote C. O. Vance was elected Vice-Moderator.

41. In the absence of Ray Billings, Chairman of the Orphanage Committee, Frank L. Gribble, Pastor of the Mount Pisgah Church, made a motion that the report be adopted without being read and the time be given to W. C. Reed of the Mills Home. Motion was seconded and passed. Mr. Reed spoke to the report and called attention to the fact that the name had been changed from Baptist Orphanage to Baptist Children's Home. The report as adopted is given below.

BAPTIST CHILDREN'S HOME

We commend General Superintendent, W. C. Reed and his staff of co-workers at the Baptist Children's Homes in Thomasville and Kinston, North Carolina for the splendid progress that is being attained.

This year has been a very busy period at the Children's Homes because of many pressing demands, the greatest being the receipt of so many applications. Only one-fifth of the total applications were honored; that is to say, only 169 children out of 813 were accepted by our Baptist Children's Homes. The remaining children, who were also in desperate need of help according to their sponsoring Baptist ministers, were turned away.

Since the last report of this committee, many progressive actions have occurred. Among them are the construction of a swimming pool at Kennedy Home; the present construction of a Boy's cottage; and soon a new contract may be let for a new cottage at Mill's Home.

Last year the Homes cared for 715 children, an increase of 15 over the previous year. Among those cared for, 33 were from Buncombe County alone.

Perhaps the greatest present need is an Indian Orphanage at Pembroke. In view of this desperate situation, the Board of Trustees of the Baptist Children's Home have voted unanimously to recommend to the Baptist State Convention at its annual meeting in November, that the Pembroke Orphanage be made a part of the North Carolina Baptist Children Care Program. Let us continue to support this great work through our prayers.

Ray Billings, Chairman

42. W. F. Wagoner presented the report of the Baptist Hospital making a motion that the report not be read but that it be adopted. Motion carried. Dick Young of the Baptist Hospital brought greetings from our Baptist Hospital and discussed the report after which it was adopted.

BAPTIST HOSPITAL REPORT

This has been a great year for our North Carolina Baptist Hospital. The records reveal that it has set a new record in its ministry to the sick. "Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics." These patients came from 92 of the 100 counties of our state, and from 12 states outside our state.

The most recent achievement in the field of new equipment is the Rotary Cobalt Machine. This machine gives the Doctor a new weapon against deep-seated cancer. The new machine is in full operation, providing treatment for about 35 cancer patients each day.

Our Hospital has a very fine Plastic Surgeon who is doing highly skilled work. We are blessed with one of the finest heart Surgeons who has performed successfully some of the newest and most difficult heart operations known.

"Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of Christian witness throughout North Carolina and the world."

All of us are aware that for our Hospital to carry on such a program it takes a tremendous amount of money. This year Buncombe Baptist in their Mother's Day Offering gave $3,624.04. It appears now also that our churches of the state have made their largest Mother's Day Offering this year. Day by day the needs for medical help are growing greater. As these needs increase our Hospital must expand its efforts to meet them. We in turn must help meet these needs by expanding our contributions and intensifying our efforts in our Mother's Day Offering.

"Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money."

Rev. W. F. Wagoner

43. Wayne W. Williams brought the report on the Homes For The Aging. Motion for adoption of the report was made. Rev. Williams then presented James Hayes, Superintendent of the Baptist Homes, who discussed the report. The report was adopted following the discussion.

HOMES FOR THE AGING

North Carolina Baptists have recently had another addition to their family. It is the eighth child in our household of faith, and its name is Homes for the Aging. Like all the other seven children — Home, Foreign, and State Missions, Christian Education, Children's Homes, Hospital, and Ministers' Relief and Annuity — this child deserves our sympathy and support.

To date, we have three homes for our aging friends, one at Albemarle and two in Winston-Salem. Our brethren in Eastern Carolina are establishing another. Soon, let us hope and pray, we shall have such an institution up here in the Land of the Sky.

The acid test of any civilization is its attitude toward the unfortunate, particularly the young and the aged. Except among savages and ingrates, old age is universally respected. It is a civic and a Christian duty to care for the old folks.

We call upon all our churches to have a part in this worthy enterprise. Place this item in your budget, give regularly to it, and when the time comes for a special offering, join in heartily and generously, and thus make happy the declining years of these dear ones. With a pathos too deep for tears, they lift their trembling hands toward us, pleading, in the words of the Good Book, "Cast me not off in time of old age. Forsake me not when my strength faileth!"

Wayne Williams

44. Special music, "Sweet Rose of Sharon," was presented by Miss Wilda Bell and Carl Perry of the First Church, with Miss Joyce Bennett of the West Asheville Church at the piano.

45. Rev. J. Lloyd Wolfe, pastor of the host church, welcomed those present to the Deaver View Church. He gave directions to Johnson School where the noon meal would be served.

46. Harry Logan read the report of the Minister's Retirement Plan and made a motion for adoption of the report. Mr. Logan then spoke to the report which was adopted and is given below.

REPORT ON MINISTERS' RETIREMENT PLAN

The retirement plan is a concerted effort for the benefit of all pastors and all that would come under its category.

We urge and insist that all church officials where they are not in the plan get the complete information about it. We believe that in so doing they will see the benefit of getting their pastors to take advantage of this plan to protect them and their families in their retirement years or against disability before retirement.

We recommend that all young men that are and will be preparing for the ministry secure the necessary requirement concerning their qualifying for Social Security as this will give their families added protection as well as increase their retirement benefits.

Harry R. Logan, Chairman

47. Moderator Hopkins relinquished the chair to Vice-Moderator Charles W. Smith who presided during the remainder of the morning session.

48. Robert H. Bruhn, Associate Pastor of the First Baptist Church, brought the report on Religious Literature. Motion that the report be adopted was made and Rev. Bruhn discussed the report. Following his discussion the report was adopted and is given below.

REPORT ON RELIGIOUS LITERATURE

Reading is a religious matter. How we read and why we read as well as what — may disclose our whole view of life and of ultimate values. Most of our intellectual intake comes from reading. Therefore it becomes imperative that we know how and what to read. In the realm of religion, selective reading is all important as a definite aid in the developing of Christian stature. Good reading brings knowledge, and knowledge brings understanding and out of understanding comes the power to live wisely.

Baptist presses are making available for our people the choicest in fine Christian literature. Our periodicals and Mission Papers as well as the Biblical Recorder and Charity and Children are contributing to the growth and development of our denominational life.

With the great influx of pornagraphic and suggestive literature on our news stands and in many homes there is a greater need to foster selective reading on the part of our people. We heartily endorse the placing of the Biblical Recorder and Charity and Children and Home Life magazines in the hands and homes of our church members.

Robert H. Bruhn

49. M. H. Cox, Associational Librarian, gave the Librarian Council Report. Mr. Cox read the report, made a motion for its adoption and then discussed the report. The adopted report is given below.

ASSOCIATIONAL COUNCIL LIBRARIAN'S REPORT

Last year there were fourteen churches that reported having libraries, some of these were of the old Sunday School type and not very active, if at all.

This year we can report that some of these libraries have been revitalized, and some new ones added. Calvary, Enka, Deaverview, Hominy and Zion Hill have been revitalized. Beaverdam, Craven Street and Riverside are the new ones added, giving us a total of seventeen.

We have several others ready to set up as soon as we can get our State Library worker, Miss Addie Mae Cook, to come and help in starting the new libraries.

We wish to make the following suggestions to the Pastors and churches of our association:

1. Any church that will be ready to start a library within the next six months, please contact your council librarian.

2. Appoint your library committee and select your librarian, then notify your council librarian.

3. If you have not had a library before, write the "Library Service Dept., Sunday School Board, Nashville, Tenn." and ask for the free books to start.

4. Select a permanent place in your church for the library, start small, if necessary, BUT START.

5 Call upon your council librarian for any help that he may be able to render, in addition to making arrangements for Miss Cook to come and help set up your library.

6. Remember the book ministry is a very important part of the Kingdom work in your church because the library serves every member of your congregation from the smallest tot to the oldest "shut-in" in your church.

7. Also, remember that these people, young and old, are going to read something, and the printed page is one of the greatest sources of inspiration, information and relaxation known to man. The Bible, as well as other good books, has changed the lives of many people.

II Timothy 2:15 "Study to show thy self approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

M. H. Cox,
Your Associational
Council Librarian

50. W. A. Huneycutt, Pastor of the Black Mountain Church, suggested that since there was extra time that Rev. Cecil Perry, Pastor of the Ridgecrest Church, tell something about the work of screening obscene literature. Following Rev. Perry's remarks, Rev. Huneycutt suggested that when obscene literature was seen the Sheriff's Department be called and the literature would be removed from the shelves. Wayne W. Williams made a motion that the Association write a letter to the Sheriff of Buncombe County commending him and his Department for their work of screening this obscene literature. Motion was seconded and passed.

51. Carl Perry, Associational Music Director and Director of Music at the First Baptist Church, brought an oral report on the work of the Associational Music Department. He told of the activities of this department during the past year and announced some of the meetings and activities planned for the coming year.

52. The Moderator recognized R. M. Hauss of the Allied Church League who spoke on the liquor problem. He urged that the Christian people in Buncombe County fight the education of moderation in the public schools. He urged the support of the Allied Church League.

53. The hymn, "Come Almighty King" was sung by the group with Carl Perry leading and Joyce Bennett at the piano.

54. Special music, 'Hear O Hear My Prayer" was presented by a trio from the West Asheville Church composed of Mrs. Wayne Cooper, Mrs. Avery Dillard and Mrs. L. C. Keener. Joyce Bennett was at the piano.

55. An excellent Missionary message was brought by Rev. E. F. Hardin of Ridgecrest. It was a challenging message and well received. At the close of the message Rev. Hardin led in prayer and offered thanks for the noon day meal. The group enjoyed a delightful meal prepared by the ladies of the Deaver View church.

WEDNESDAY AFTERNOON SESSION

56. The Wednesday afternoon session opened with the singing of the hymn "Stand Up, Stand Up For Jesus." Carl Perry led the group in singing and Mrs. Frank B. Hopkins was at the piano. Rev. G. Hanford Hamby, Pastor of the Oteen Church, read from the First Chapter of Ephesians and led in prayer.

57. The report on the American Bible Society was given by H. E. Davis in the absence of Edwin McDevitt. Rev. Davis read the report and made a motion for its adoption. Mrs. Homer Clontz of the Mount Carmel Church, assisted by Miss Ann Roberson, presented a scroll showing in picture and narration the work of the American Bible Society and its distribution of Bibles. Report was adopted on motion which was duly seconded and passed.

REPORT ON THE AMERICAN BIBLE SOCIETY

The people of the world must have the Bible. Each person should have the Bible in his own language, because it speaks to his heart as no other language can speak. The American Bible Society translates, publishes and distributes Bibles to the ministers and missionaries in the language of the people. It has translated the Bible in 1109 languages and dialects to date.

In 1956 the Society

—Distributed throughout the world more than 15 million volumns of Scriptures.

—Supplied over 13,000 Bibles and other scriptures to Hungarian refugees coming to the U.S.A., and many more to refugees in Austria and other countries.

—Donated more than one million Scripture volumns to members of the Armed Forces.

Because Southern Baptist missionaries depend on the American Bible Society for Scriptures they need in their work, our Southern Convention asks it's churches to support the society. In 1956 Southern Baptist Churches gave $120,732 to this work, or 14c per member. Certainly such important work deserves better support. We recommend that the association urge its churches to give to this work with offerings of at least $10 from even the smallest and with correspondingly worthy offerings from the larger churches.

Edwin McDevitt, Chairman

Committee on American

Bible Society

58. J. H. Black read for information the report of the Personal Guidance Council. Motion was made that report be adopted. Rev. Black spoke concerning the work of the Personal Guidance Council giving some of the experiences. The adopted report is given below as a matter of information.

PERSONAL GUIDANCE COUNCIL

Supported by churches and organizations and friends of different denominations, the PERSONAL GUIDANCE COUNCIL is non-profit and interdenominational. The purpose is to rehabilitate those in need physically, morally, spiritually and financially if necessary.

Througn the kindness of friends we are happy to report the redecoration of several rooms in the Home. To a number of churches and church groups we are profoundly grateful for unfailing support financially and for food and clothing showers, and kindness otherwise.

Some of our activities are: Individual contacts with prisoners, Bibles and portions of Scripture, visits to the homes, clothing, food and lodging furnished, Christmas favors to prisoners sitting in courtroom and distribution of devotional booklets.

Our special requirement now is for a steady Christian lady to live in the Home — someone to be hostess and co-operate lovingly in the homes and prisons and elsewhere.

J. H. Black

59. The Moderator recognized and welcomed Rev. E. C. Wilkie who succeeded Rev. J. C. Pipes, Home Mission field worker.

60. Rev. G. H. Hamby made a motion that Lawson Allen of Gardner-Webb College be allowed 5 minutes to bring greetings from the college. Motion was seconded and passed. Mr. Lawson brought greetings from the faculty and students and requested the prayers and support of the people in Buncombe Association.

67. M. D. Smith, Pastor of the Hominy Church made a motion that the Association give an expression of thanks to the Calvary Baptist Church for the use of the Associational Office for the Missionary and Secretary. Motion was seconded and carried.

68. Wayne W. Williams presented the Historian's Report which was adopted as given. The report is given below.

HISTORIAN'S REPORT

Says the Asheville Citizen, the journal that covers Western North Carolina like the dew:

"A new surge toward religion is under way in the United States. Note Billy Graham's great revival in New York City. Church membership is on the increase, evangelists are drawing record crowds, religious books are on the best-seller lists. Great numbers of people are looking for a spiritual anchor to give meaning and purpose to their lives. Ninety-five million persons, approximately 60 per cent of the population, belong to the nation's 255 church bodies."

For all this, let us thank God and take courage. On the world scene, the national scene, and local scene we are making progress. At long last, the kingdom is coming. Where sin abounds, grace doth much more abound, it would appear.

We take this occasion to commend the churches of our Association for their renewed interest in the enterprises of the kingdom, as evidenced by their gifts to our world program. During the year they gave the sum total of $215,047 to denominational objects. In this connection, may we commend especially the West Asheville Church, which gave $32,679, the second highest of any church in the Association. We would praise, too, the Grace Church, for dividing its gifts fifty-fifty between local and denominational objects.

Here are some other matters worthy of record:

There were gains all along the line during the year. A total of 1,060 souls were baptized, a gain of 130 over last year. Both local and denominational gifts greatly increased. We are now a mighty army of over 26,000 in Buncombe.

Another new church has been received into our fellowship, Trinity, J. H. Black, pastor.

New sanctuaries have been erected at Oteen—a beautiful and magnificent structure; at Zion Hill, where Brother W. D. Ruth is spiritual leader; at Gashe's Creek, where H. E. Benfield holds forth, and at Sunrise, Bryce Wright, pastor.

At Swannanoa, a $120,000 sanctuary is under construction, and at Skyland and Emma's Grove new edifices are under way.

Educational plants have been completed at Patton Avenue and Hominy; and Mt. Carmel, Trinity, Skyland, and Black Mountain look forward to dedicating worthy facilities in the near future.

New parsonages have been completed at New Found and Mountain View.

Many of our churches have renovated and improved their plants inside and out, and additional lots and land have been acquired, looking forward to the days of future growth and progress—Craven Street, Mt. Pisgah, North Black Mountain, Beverly Hills, and others.

Pastoral changes have taken place: G. H. Shope has gone to Bent Creek; C. O. Vance, Mt. Carmel; Thomas A. Young, Victory; Grady Hamby, Oteen; H. E. Davis, New Found; Ralph Nix, Big Ivy; J. N. Shuford, Buckeye; Lawrence Pruitt, Fairview; M. H. Pittman, New Salem; John J. Huntley, Oak Grove; W. D. Ruth, Zion Hill; J. H. Black, Trinity; Wm. A. Snyder, Beverly Hills; Paul Hyder, Coles Cove; T. A. Harper, Bingham Heights; Gilbert Hendrix, Emma's Grove; Wm. O. King, Inanda; Jesse Mauck, Midway; Robert Clayton, Mountain View; W. G. Rhinehart, New Bridge; Marlowe Stroup, State Street; Russell Gillespie, Long's Chapel; Woodrow Flynn, Craven Street.

And now, in closing, we would salute all our brothers and sisters here in the Buncombe Association, and urge you to carry on with renewed hope and vigor the work of our Lord until He comes back to earth again to claim His own.

"O Zion, haste, thy mission high fulfilling,
To tell to all the world that God is light;
That He who made all nations is not willing
One soul should perish, lost in shades of night!"

Wayne Williams,
Historian

69. Wayne W. Williams made a motion that "Respectfully Submitted" be deleted from the reports in order to save space. Motion was duly seconded and passed.

70. H. E. Davis, Pastor of the New Found Church, made a motion that the Association give a standing vote of thanks to the Associational Missionary and Clerk for their work during the year and their work in preparation for and during the Associational meeting. Motion was seconded and carried.

71. The report on obituaries was given by J. Lester Lane of the Calvary Church who read the names of our Beloved Dead. The group stood during the reading of the names and Rev. J. L. Underwood led the group in prayer and the Seventy-sixth annual session of the Association stood adjourned.

Miss Shirley Robinson told of a house party she had attended and urged more YWA'S to attend council meetings. G. A.'s who had part on the program were Gladys Ann Ball, Mary Ann Downey, Vicki Debard, Linda Hall. Gloria Rotan sang "We've a Story to Tell", and "O Zion, Haste".

During the business session reports of committees were heard and the constitution and by-laws were revised with Miss Vonnie Lance serving as chairman. Mrs. Austin Thompson reported for the nominating committee and officers were elected. (See list of officers on another page). Those elected came to the front and a prayer of dedication was offered.

The enrollment committee announced that 114 people had registered. Miss Lance, newly elected superintendent, was called to the platform and spoke words of greeting to the body. Mrs. J. R. Morgan brought the closing message and Rev. Frank Hopkins led the closing prayer.

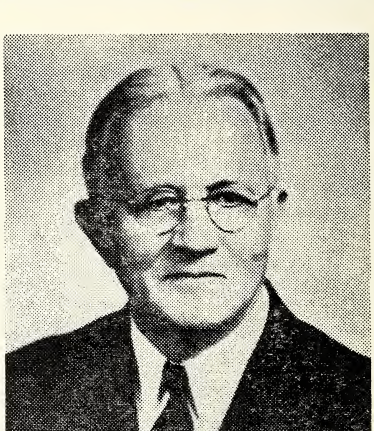
DEDICATION

To Rev. J. B. Grice, long time preacher and pastor in Buncombe Association this issue of our Minutes is affectionately dedicated.



REV. J. B. GRICE

John B. Grice was born in Belmont, N. C., June 6, 1874.

On Aug. 29, 1894, he arrived in Asheville and entered employment.

May 1, 1911 Bro. Grice became pastor of Liberty Baptist Church, then a quarter-time church. He has since served at Mt. Carmel, Bethel, Inanda and Calvary churches as pastor besides numerous places as interim pastor since his retirement in 1945.

Bro. Grice was ordained by the West End Baptist Church on March 29, 1913, in which church he held his membership during all of the time he was serving "part-time" churches of the association.

For twenty-seven years Bro. Grice served the Calvary Baptist Church, from which church he went into retirement — and a large and useful work with several churches as supply and interim pastor. During these forty-seven years he has been a source of guidance and inspiration to the Association and to all of its churches in addition to the useful work he did in the churches who called him pastor.

NEXT SESSION

The next annual session of the Buncombe Association will be held with the First Baptist Church of Swannanoa on Tuesday, August 11, 1959 and the New Found Church on Wednesday, August 12, 1959.

Introductory Sermon ..... Rev. Nane Starnes

The report on the Southern Baptist Retirement Plan for Ministers was given by Rev. Charles Jolley, chairman of the Committee on Ministers retirement. The motion to adopt the report carried.

REPORT ON MINISTERS RETIREMENT PLAN

Some words of Paul to the Corinthian Church, and to Timothy, seems to indicate that he considered a man's provision for the physical needs of his loved ones as a sacred duty, even for a preacher. In second Corinthians 12:14 he said, ". . . For the children ought not to lay up for the parents, but the parents for the children." And in First Timothy 5:8, "But if any provide not for his own, and especially for those of his own house, he hath denied the faith, and is worse than

unbeliever." Surely his words ought to encourage our pastors to seek the best method which he can afford to provide an income for old age, or, misfortune. We believe that our retirement plan will do much toward making that possible. Churches which cannot pay the pastor enough to cause him to feel free to assume the added expense could well encourage him to do so by paying his part of the cost.

I think the writers experience with the Ministers Retirement Plan will be the best words I can say about its value. I joined with the first group after our Convention began to promote it. Up to Sept. 1, 1949, when I retired, I had paid about $900. Since that time I have received $820.00 per year; or, a total of almost $7,000.00. This will continue until my death then my wife, if living, will receive 50% of the amount I receive as long as she lives. Think it over pastors and churches.

Respectfully submitted,
Charles Jollay, Chairman

Rev. W. A. Huneycutt, pastor of the host church was introduced and gave words of greetings to the messengers.

Mr. Perry led the group in singing "Love Divine".

The Music Schools in progress this week under the direction of Rev. Joseph Stroud and the Associational Music Ministries were announced by Mr. Perry. They are in progress at Black Mountain, First Church Asheville, Oakley and Hominy.

Additional visitors introduced were Rev. L. H. Miller of Greenville, S. C., and Dr. Phil Elliott, President of Gardner-Webb Junior College.

Miss Vonnie Lance presented the report of the Women's Missionary Union, which was adopted by vote of the messengers. Dr. W. Perry Crouch was asked by Miss Lance to address the body on the work of the Women's Missionary Union.

REPORT OF WOMAN'S MISSIONARY UNION

Woman's Missionary Union continues to function either actively or spasmodically in 59 churches of the Buncombe Association. This is a gain of six over the preceding year. New organizations have been formed in Pine Burr Park, Inanda, Sand Hill, Big Ivy. Long Shoals which went to sleep for a season has reorganized and is doing a good job. Arden Chapel which had not been counted before makes the sixth one in the list making up the increase, although Arden Chapel was not organized last year. It is a source of regret that all of the 59 churches have not made reports at any time during the year, hence any figures that are given do not represent the total picture of the work in the Association.

The figures at the end of last quarter showed the following: 59 Woman's Missionary Societies; 18 Y. W. A.'s, an increase of three over the preceding year; 52 G. A.'s, an increase of 13 over the preceding year; 42 Sunbeam Bands, an increase of 16 over the preceding year.

The total WMU membership in the Association in the churches making reports numbers 3,657.

The By-Laws have been changed so as to require a director of each phase of the work among the young people. These directors are putting their best into the work and there is hope of more activity among the young people.

Meetings have been planned and presided over by the district leaders in five of the ten districts. The Weaverville district is yet to meet and others will be heard from later. We have been unable to find leaders for all the districts.

A Mission Study Institute was held last October under the supervision of Mrs. J. C. Pipes, Chairman. Under Mrs. Lynn Buckner's supervision a YWA Council has been organized and this meets quarterly. A Sunbeam Rally has been held and plans are in the making for something for the G. A.'s.

The annual meeting of the Buncombe WMU was held at the Black Mountain Church with 180 reported as the registered attendance, though it is known that of those that did not register the figure was larger. Mrs. W. K. McGee, State president, and Miss Anita Roper, missionary to Africa, were guest speakers.

The aims of the WMU are enlistment, mission study, prayer, community missions and stewardship. It is our concern that all of these aims be stressed in our churches and that the work will continue to go forward in a way that will be pleasing to our Heavenly Father.

Respectfully submitted,
Vonnie E. Lance, Superintendent

The report of the work of the Associational Brotherhood was given by President John Lawerence. The motion to adopt the report was discussed by Bro. Lawerence and by Moderator Frank Hopkins. Bro. Hopkins spoke on the work with boys through the Order of Royal Ambassadors. The Association voted to accept the report as presented.

ASSOCIATIONAL BROTHERHOOD REPORT

Associational Brotherhood work is most important. It has been the aim of this organization to reach as many men of our churches as possible, whether members of church Brotherhoods or not, with the challenge of Brotherhood and denominational work. The Executive Committee has met regularly in the office of the Association and under the guidance and counsel of our Associational Missionary has planned our program of work.

The Associational Brotherhood has tried to render the following services:

1. To assist and help organize a Brotherhood in every church possible.

2. To inform the men of our Association of denominational needs and challenge them to use every effort in achieving them in our churches.

3. To promote an annual Brotherhood Clinic to train officers as to their duties and promote the real value of a Brotherhood in each of our churches.

4. To have a rally of our men each quarter for inspiration, guidance, and encouragement.

The Brotherhood is not an organization unto itself but seeks to enlist men in the promotion of the entire program of the church. We have the men but they must be informed, inspired, enlisted and used to promote the Lord's work. Our denomination furnishes us with a great program but our churches must know and feel the burden of the task in order to really cooperate to do their best.

Our quarterly rallies as we have met in the following churches during the past year: Beaverdam, Bent Creek, Beverly Hills, and Craven Street, have been well attended by our pastors and laymen. Programs were presented on the following topics: Growing Better Royal Ambassador Chapters, Strengthening State Missions, Personal Evangelism, and Stewardship and Tithing. The Forward Program of Church Finance was also presented at one of our quarterly rallies and our men were challenged to lead their churches in this great movement.

The officers have served faithfully in promoting the work of our Associational Brotherhood.

Certainly a good deal could and should be said with reference to our Royal Ambassador work. Under the leadership of our Associational R. A. Counselor, we have moved forward in a fine way. Our men are showing a good response in accepting this responsibility and is is the purpose and plan of the Association to have more clinics and periods of study for leadership in this work. Our goal is to have one or more chapters in every church of our Association.

A Regional Brotherhood meeting was held during the past year in Hendersonville with an excellent attendance of the men of our Association. Our Brotherhood Leadership Conference at Fruitland and Brotherhood State Convention in Raleigh was also attended by men of our Association.

Our Associational Brotherhood needs men but more important is the fact that our churches and Christ need men to do a great job.

Respectfully submitted,
J. L. Lawerence

A report on Christian Education in North Carolina was read by Mrs. George Pennell. It was voted to give Dr. Claude Gaddy and Dr. Phil Elliott twenty-five minutes to speak on the report. They addressed the Association successively in the order named. The motion to adopt the report carried.

REPORT ON CHRISTIAN EDUCATION

We Baptists of North Carolina have the greatest of treasures in our seven colleges — the five Junior Colleges, offering two years — Campbell at Buie's Creek, with Dr. Leslie Campbell, President, organized 1887, enrollment 1,079, (Campbell also has high school grades 11 and 12); Chowan College at Murphreesboro, with Dr. Bruce Whitaker, President, organized 1848, enrollment 325; Gardner-Webb College, Boiling Springs, Philip L. Elliott, President, organized 1907, enrollment 579; Mars Hill College, Mars Hill, Dr. Hoyt Blackwell, President, organized 1856, enrollment 1,177; Wingate College, Wingate, Dr. E. Budd Smith, President, organized 1896, enrollment 899 (also high school grades 11 and 12); and the two senior colleges offering four years — Meredith College, Raleigh, Dr. Carlyle Campbell, President, opened 1899, enrollment 645; and Wake Forest College, Winston-Salem, Dr. Harold W. Tribble, President, founded 1834, enrollment 2,931 — (schools of business administration, law, medicine and religion also).

These colleges are treasures for many reasons, and we will consider seven:

1. Rich because 7,634 students were enrolled last year, nearly 8,000 of our youth, with unlimited potentialities; youth who can be rich in interest and devotion to our denomination. This is one-eighth (1/8) of all students enrolled in all of the 61 universities and colleges in North Carolina.

2. Rich because the total value of these 7 colleges is 35 million dollars, with an annual operating expense of a bit less than 9 million dollars.

3. Rich because a staff of 1,300 people teach and care for these students and maintain these buildings.

4. Rich because of these 8,000 students 56 are ordained ministers preparing to preach the gospel throughout the world, and there are hundreds of others who are dedicated to full time Christian service in music, teaching, administration, and others who are dedicated to full time Christian living.

5. Rich because 185 men and women of this state, elected by you in Convention serve unselfishly and intelligently and without remuneration as Trustees of these colleges. They represent our Convention in the administration of these colleges, and are responsible to the Convention as such elected officers.

6. Rich because each of these colleges has high Christian ideals, and each is striving to attain a worthy goal in preparing our youth for unselfish Christian living and service in a gracious manner. Such ideals are based on the teachings of Jesus, as found in the Bible, which must be the basis of all teaching.

7. Rich because you and I have invested in these institutions a great part of us, our interest, our prayers and our money, for the Baptists of North Carolina gave last year to the support of these colleges, through the co-operative program alone, $738,000.00. And as I have heard two college presidents say to their trustees . . . this is the life-line of these colleges.

Where there is wealth, there is responsibility. We are responsible as stewards for the maintenance of these colleges — responsible to make them the training ground for Christian service to all mankind.

As we express gratitude for these wonderful institutions and their influence and their potentialities, we can renew our interest by helping to make them what our Lord would have them become. If we will see in them great treasure they will be on our hearts, for the Master Teacher said — "Where thy treasure is there will thy heart be also".

Respectfully submitted,
Mrs. George Pennell

Mr. C. E. Johnson, Superintendent of the Associational Sunday School gave the report of that organization. It was adopted by vote of the messengers, as follows:

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL

The report on the work of your Sunday School organization is made with genuine humility in the light of the great needs around us but with a sense of joy in the achievements. Earnest effort has been made to enlist those in our organization who would be able to inspire our churches to do better work in their Sunday Schools. We are very conscious that our office is one of service to the churches and desire no other recognition than that of faithful servant.

This year our Association is reporting 88 churches and 91 Sunday Schools, the aggregate enrollment of these schools is 21,886, an increase of 285 over that reported last year.

Achievements this past year are:

We have held 12 monthly Associational meetings.

The standing of our Association by the N. C. Convention standard of rating was moved up from class "C" to class "B".

We conducted, in cooperation with the N. C. Baptist S. S. Department and the Sunday School Board, a Regional Clinic in February with 56 of our churches participating.

We sponsored an Associational-wide study of "The Ministry of Visitation" with 22 churches reported having participated. Three of these adopted the plan of visitation outlined in the book.

66 churches reported Vacation Bible Schools.

42 churches have earned a total of 1,272 Workers Training Awards during these first 9 months of Sunday School year.

We respectfully recommend:

1. That the theme for the coming year be "That They Might Live" and that the emphasis for the year be Soul Winning.
2. That the Sunday School leadership of each church be urged to
   (1) Adopt the Standard of Excellence as their program.
   (2) Set a goal of 10% increase in enrollment this year and a goal of 15% increase in average attendance.
   (3) Move up the pattern of organization by starting new classes and departments.
   (4) Adopt the plan of Visitation outlined in "Ministry of Visitation" as a policy of their church.
   (5) Provide a training program that will lead to the earning of the diplomas and seals presented by the Sunday School Board.
   (6) Observe January Bible Study Week, Preparation Week and Promotion Day.
   (7) Hold a Vacation Bible School.
   (8) Give priority to personal witnessing.
   (9) Encourage their workers to attend the monthly associational Sunday School meeting held at Calvary Church each Tuesday after the fourth Sunday of the month at 7:30 P. M.
3. That the Associational Sunday School leadership be instructed to enlist a complete organization. Strive to attain the Associational Standard. Hold an Associational officers training clinic. Plan and direct associational wide and district training programs. Provide a monthly workers conference for the Association to train and inspire workers in the churches.

Respectfully submitted,
C. E. Johnson, Supt.

Mrs. F. C. Miller, Sr., presented the report of the Associational Training Union. A motion to adopt the report carried.

TRAINING UNION REPORT

Since last August all scheduled meetings of the Associational Training Union have been held. Each quarter there has been an executive committee meeting, an officers and leaders council, and a mass meeting. The largest mass meeting was on December 2nd at First Church, when "M" night was held with 1,353 present from 48 churches. Rev. Jack R. Bagwell was the speaker.

In January the Training Union took part in the Sunday School Clinic in Asheville. Ten classes were taught for Primary, Juniors, and Intermediates with approximately 200 awards.

In March District Study Courses were conducted in six out of ten districts using the Vocational Guidance Books of our Training Union Study Course. During that month 1,178 awards were received. During the entire year 2,797 awards have been received by 54 of our churches.

Six churches have organized Training Unions this year, making a total of 65 churches now having T. U. 23 churches yet do not have a training program for their church members.

13 churches have observed youth week this year. Youth night was not as well attended as we had hoped.

Contests were held for each age group in our Association, and contestants took part in the regional convention at Hazelwood. We had winners in two of the contests.

5 of our officers attended the state planning meeting and leadership assembly at Caswell last week.

"M" night will be Dec. 1st this year. Mrs. J. Winston Pearce will be the speaker. We are confidently expecting all of our churches to be represented.

We urge you to take part in all the Training Union activities of our Association.

Respectfully submitted,
Mrs. F. C. Miller, Director

Special music was presented by a quartet of men from the First Baptist Church, Asheville.

The report of the committee on Evangelism was presented by Dr. W. Perry Crouch, chairman, and he moved the adoption of the report. After discussion, it was voted that the report be adopted.

REPORT ON EVANGELISM

Buncombe Baptist Association - August 12, 1958

Your Committee on Evangelism sponsored an evening clinic on Evangelism in September of 1957 for Pastors and Laymen of the Association. Dr. Julian S. Hopkins, our North Carolina Leader for Evangelism, was present, along with several visiting laymen from the Carolina Association. The theme was personal soul winning.

During the year some attention has been given to preparation for the simultaneous revivals to be held in our Association April 12-26, 1959. This is a cooperative effort with all of the churches of the Southern Baptist Convention, and six other Baptist bodies of the United States and Canada.

On June 23rd of this year a full afternoon and evening was given to an evangelistic clinic that would help pastors and church leaders to begin thorough preparation for the simultaneous effort in April 1959. Dr. Hopkins, superintendent of our Department of Evangelism and Rev. James Ivey of Knoxville, Tenn., were guest speakers. Several of our local pastors participated in the clinic.

The committee has given some thought to the various responsibilities that local pastors and laymen should fill as we plan for the simultaneous revivals. It is our earnest hope that at least 60 churches will enter the revival effort next spring. The enlistment program will be carried on by districts, and one or two district meetings for pastors and leaders will be planned for the fall and early spring.

We sincerely believe there are many unreached and unsaved people in Buncombe county. We hope to find many of them in a county wide census to be conducted about the first of February. We urge every Baptist church in our Association to begin planning now to join in the search for unsaved people and begin plans for a real revival effort next April. Surely any church that has lost its desire to reach unsaved people has lost its first love.

We are grateful for the help of our Missionary, Mr. Hughes, and many pastors who have helped in the evangelistic work during the past year, but we sincerely covet the prayers and help of every person in our Association during the coming year.

Respectfully submitted,
W. Perry Crouch, Chmn.
Committee on Evangelism

After the singing of the hymn "Jesus Saves" the annual message on Evangelism was brought by Rev. Woodrow Flynn, pastor of the Craven Street, Church. His subject was "Marching Off the Map".

Following a prayer and blessing for the food the body adjourned to the lunch tables in the basement of the church.

AFTERNOON SESSION

Tuesday August 12

The afternoon session was opened by the singing of "All Hail the Power" to the tune "Coronation" led by Carl Perry.

Bro. Hobart McFalls of Edgewood read Matt. 28:19 - 20 and portions of Romans 10, and led the assembly in prayer.

The Moderator declared the floor open for miscellaneous business.

Dr. Roy McCullouch presented a matter from the Buncombe Baptist Ministers Conference requesting that the Association consider the matter of combining the Central Training School of the Association and the Leadership Revival of that organization. The committee from the pastors recommended: "That the Leadership Revival be combined with the Central Training School as an Associational project to be held each year in a week near Feb. 1, and that details be worked out by the Associational Training Committee on the Central Training School and the committee appointed by the Pastors Conference."

A motion to adopt the recommendation carried.

The moderator gave leave to the Nominating Committee to delay their report until Wednesday morning.

The report on Associational Missions was presented by Robert T. Hughes in two parts. The report on the work at Anderson Cove Missions was read and Pastor James C. Jetton, of that Mission was presented to speak on the work. Motion to adopt this report carried.

REPORT ON ANDERSON COVE MISSION

The Anderson Cove Mission, sponsored by the Association, was given a regular pastor this year for the first time. Rev. James C. Jetton of Weaverville, a student in Mars Hill College was ordained and called to this work, beginning work on Jan. 1, 1958. The wisdom of this move on the part of the Missions Committee is shown by the greater participation of the indigenous personnel of the mission in their work. One of their own number has been elected Sunday School Superintendent and another clerk of the group. Except for the pastor and his wife, all classes in the Sunday School are now taught by members of the congregation of the mission.

A Royal Ambassador Chapter has been started for the boys, led by Bro. Jetton, and a Girls Auxiliary has been started for the girls, led by the pastors wife. Sunday School now meets at the morning hour, followed by the preaching service. They also have Prayer Meeting on Wednesday.

While no baptisms have been reported for the period covered by the Associational letter, a revival just closed added 14 to the membership of the mission group, all for baptism. Eleven of these made professions of faith for their first time in this revival. These baptisms will be reported in the letter next year.

Robert T. Hughes, Missionary

The second part of the report was on the general work in the Association. Motion that it be adopted, with its recommendations, carried by vote of the body.

REPORT ON ASSOCIATIONAL MISSIONS
1957 - '58

The need for Mission work in Buncombe Association is most effectively pointed out by a study of church enlistment statistics. From these figures it appears that for every member of our Baptist churches there are two Baptist Prospects living in our territory. These represent the unenlisted possibilities in our church communities.

The figures here presented were first attained by a study of population and church membership statistics. They have been verified imperically this year by the findings of our church surveys conducted in representative areas of the county. Three such surveys have been completed in as many church fields and others have been started by pastors, with the counsel and guidance of the missionary. The three surveys were made in Beverly Hills, Skyland and Starnes Cove. In addition, the missionary assisted in a census in Arden.

Your missionary has continued to emphasize Worker Training in both Sunday School and Training Union. Training of leaders in the Royal Ambassador work has been stressed as well. A number of churches have used his services in their Workers Training program.

The most prominent effort in the area of Worker Training was the Southwide Sunday School Clinic which the Association sponsored jointly with the Sunday School Board, the Sunday School Department of the N. C. Baptist Convention and the First Baptist Church, Asheville. This Clinic was held Feb. 20-25, 1958, and attracted workers from seven states. Fifty six of our churches were represented in the attendance, which is the largest number of churches participating in any such project in our Association so far as the record reveals.

Your missionary has spent time assisting the organizations of the Association in perfecting their organizations, planning their programs and presenting their help to the churches. In these

The Training Union continues to maintain Standard work.

There is evidence of advance in the quality of Sunday School help offered in the meetings of their organization.

The missionary union is showing increased interest and activity.

The Brotherhood has made remarkable progress both in the work with men and in the Royal Ambassador work.

All organizations have a fine quality of leadership.

In Vacation Bible Schools the quality of work done is increased. Thanks for this are due those fine workers from the churches who gave us this year what is generally conceded to be the finest Clinic we have had.

Whereas last year four Schools reported themselves Standard there were eight such schools this year. They were: Anderson Cove, Beverly Hills, Biltmore, Craven Street, Pole Creek, Reed Memorial, White Rock and Arden. The workers in these schools are to be commended and the churches congratulated.

There has also been an increase in the number of 10-day Vacation Bible Schools. This also reflects an advance in quality.

Our summer V.B.S. worker, Rev. James Jetton, has assisted in five schools and will assist in one more this summer. Four of these were 10-day schools. One of these was a Standard school, that at Anderson Cove.

Your missionary has conducted two revivals this year and in these and in Vacation Bible Schools has witnessed 65 professions of faith. Those are in addition to the few witnessed in regular services where he has preached.

RECOMMENDATIONS:

It is proposed for the associational year 1958-'59, the Program of Associational Missions be

1. That the major emphasis for the year be EVANGELISM, in conformity with the emphasis of the Southern Baptist Convention and its agencies.
   (1). That this emphasis be implemented by the Schedule of Activities of the Simultaneous Crusade, adopted by the Association in its meeting on April 7, 1958.
   (2). That the missionary give priority in his activities to this schedule and to assisting the Committee on Evangelism and the Special Committees for the Revival Crusade in preparing for and conducting the Simultaneous Evangelistic Crusade of the Association.
2. That the primary minor emphasis be the Southern Baptist Program of Advance, as it affects our Association.
   (1). That, to implement this program of Advance the Missions Committee be instructed to designate as critical areas those areas of the territory where there appears to be a need for more adequate Baptist testimony.
   (2). That the churches of the Association be asked to co-operate with the missionary in making a survey to determine religious coverage in each of these critical areas as rapidly as such a survey can be planned and prepared for.
   (3). That where such surveys reveal a need for a new church or mission, a church be asked to sponsor such new work and that the missionary be instructed to assist the sponsoring church in every possible way in establishing the new work.
   (4). That where such new work is started, all churches be asked to lend their every encouragement and assistance to its success.
3. That the missionary be instructed to continue promotion of the program of the organizations of the Association, to encourage their work of perfecting their organizations and in leading the churches in a well rounded program of Christian witness.

The report on Baptist Hospitals was presented by Bro. J. C. Pipes and read by Bro. Nane Starnes. Motion to adopt the report carried.

NORTH CAROLINA BAPTIST HOSPITAL
1958 REPORT

The program of Jesus includes, preaching, teaching and healing. The purpose of the North Carolina Baptist Hospital is to provide a well rounded program of medical care and training under Christian guidance and influence.

The program is designed especially to serve our people when they are sick and need specialized skilled care beyond the facilities of their local area. It offers a wide range of specialized training in the different fields of medicine and surgery, in nursing, in various other fields of medical care, and in the field of pastoral care.

Last year the Hospital provided bed care for 16,000 patients for an average stay of 8 days each. There were 120,000 visits to the clinics and offices of the medical staff and chaplains. Service patients came from 92 of the 100 counties of the State. The Hospital spent more than half a million dollars in providing free care for these service patients beyond what they were able to pay. In addition to this, the services of the medical staff were given free to all service patients.

The Mother's Day offerings, insofar as they go, are used to help pay the cost of caring for service patients. The cost to all service patients is greatly reduced by the free services of the doctors, but the needs for further help are far beyond the resources. The Mother's Day Fund cannot be used until after the patient's family has paid all it can and all other possible help has been secured. These missionary offerings from our churches are dedicated to this purpose alone and cannot be used except where there is real need.

Our Hospital now faces the necessity of reducing the amount of free service provided for our people, unless our church offerings to the Hospital are largely increased. The reason for this is the simple fact that the hospital cost has increased more than 30% in the past five years while the Mother's Day offerings have increased less than 20%. We believe our people are not willing to see this happen, and that they want to make the service of their fine medical center available to our people when they need it and cannot pay the large cost involved.

We would like to make a plea for a fuller understanding of the total work our Hospital is doing, the serious problems involved in providing such a ministry, and for a greatly increased support of this Christian service.

I am sorry to report according to the records from the Baptist Hospital the amount received from the Buncombe Association by the Hospital through August 5, 1958 was $4,731.05 compared with $5,-807.54 in 1957. This is $1,046.49 less than was given last year.

The report on Baptist Homes for the Aging was presented by Bro. Ray Billings and the time for its discussion given to Rev. James Hayes, Superintendent of N. C. Baptist Homes for the Aging. The report was adopted by vote of the body.

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

The Homes For Aging are now in their eighth year of operation. The three Homes have facilities for 119 — counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don G. Matthews, Sr., of $50,000 and land on which to build a fourth Home For The Aging to be located at Hamilton, Martin County. This Home will provide facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditors' report for the year ending September 30, 1957 showed that the income was $268,924.58.

A large number of the residents have been aided financially. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts by individuals and corporations.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think, first, of the ever-increasing number of aging friends needing larger dormitory facilities: and, secondly, of doubling the capacity of our infirmary in the Administration Building. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible — churches, individuals and corporations — and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

Rev. Roger Williams from the Thomasville Baptist Children's Home discussed the work of the N. C. Baptist Convention in their Homes for Children.

Rev. Charles Smith of Swannanoa led in singing "We've a Story To Tell To the Nations".

Rev. A. N. Hollis, chairman of the committee on the Co-Operative Program, presented the report on the work supported by that Program and on the Work of The General Board. He introduced Dr. M. A. Huggins, Executive Secretary of the N. C. Baptist State Convention, who spoke on the work of Baptists in North Carolina and around the world.

The motion to adopt the report carried.

REPORT ON THE COOPERATIVE PROGRAM

Buncombe Association — August 12, 1958

The one thing that unites the efforts of Southern Baptists to witness to a lost world and minister to the causes fostered by the Southern Baptist Convention is the Cooperative Program. Through this program and our cooperative effort we are carrying out the truth of the scripture — "we are labourers together with God" — I Cor. 3:9.

Possibly, one real reason many churches apparently place no emphasis on the Cooperative Program is their lack of knowledge concerning its mission and objectives. Christ gave us the Great Commission at the close of his earthly ministry. Thereby we understand that He placed great importance upon it. The Cooperative Program serves to enable us as individuals and churches to carry out the Great Commission. Indeed, it finds its roots in the Great Commission. Every individual Christian as he gives his tithes and offerings through his church is carrying out the commands within the Great Commission as a certain percentage of his church budget is designated for the Cooperative Program.

The Cooperative Program is a channel through which individuals and churches share in the teaching, training, healing and preaching ministries around the world. An individual alone, or possibly an individual church, would not be able to send its own missionary, or establish and support a college or seminary, or maintain a hospital — but the cooperative efforts of Southern Baptists through the Cooperative Program make this possible. The Cooperative Program is money dedicated to God to be used to finance His kingdom's work around the world. It is people carrying out in a personal way our Lord's commands to a needy world. Within this group of people there are over 1,500 state missionaries seeking to establish churches in the needy areas of our homeland. Too, there are over 3,300 teachers in 70 colleges and seminaries endeavoring to teach and train ministers and missionaries so that they may carry out God's will for their lives. The Cooperative Program is 1,251 foreign missionaries carrying the good news to the ends of the earth. It is 1,100 home missionaries witnessing to the Indians, the migrants, the negroes and other minority groups in our land. The Cooperative Program is our many medical missionaries ministering to the needs of suffering humanity far across the seas. Yes, these and more are the ones who are in the thick of the

battle at the front lines. But, lest we forget, we too here at home are a part of the Cooperative Program. Without our cooperative effort through our gifts Southern Baptists would have no means to carry out the Great Commission. Through our prayers, through our influence and through our gifts we, too, at any given moment are witnessing to a lost person in the jungles of Africa, teaching in one of our colleges and seminaries, operating on suffering humanity in one of our many hospitals, ministering to the many needs right in our home state. Time nor space could not tell of its significance and eternal influence in the cause of Christ.

To criticize the Cooperative Program is to criticize the Holy Spirit's way of doing missions. God has brought Southern Baptists to this challenging hour. To continue to support and increase our gifts to the Cooperative Program where possible is to meet the challenge of the hour. To denounce and withdraw support from the Cooperative Program is to weaken the plan adopted by the great people called Baptists in witnessing to a lost, needy and suffering humanity.

May every church prayerfully consider giving to the Cooperative Program this next year on a percentage basis of the total church budget. The needs of the world demand that every individual and every church give wholehearted support to the Cooperative Program.

The Moderator declared the session adjourned until Wednesday morning at 9:30, at Grace Church, on Haywood Road in West Asheville.

The closing prayer was led by Rev. G. H. Hamby of Oteen.

WEDNESDAY MORNING SESSION

August 13, 1958 — Grace Baptist Church

At 9:30 A. M., the Moderator called the session to order. Carl Perry led the assembly in singing "Come Thou Almighty King". Rev. John Bowden, pastor of the Enka Church, read selected passages from the book of Romans and led the Association in prayer.

Messengers arriving today were registered. Figures are included in those reported earlier in these minutes.

The floor was opened for nominations for a moderator to serve in the ensuing associational year. Bro. H. G. Hamby of Oteen nominated Rev. L. D. Munn of Weaverville. There being no further nominations Bro. Davis of New Found made a motion that nominations cease. The motion prevailed. Bro. Munn was elected by the acclamation of the body.

The floor was opened for nominations for vice-moderator. Bro. Hobart McFalls of Edgewood and Bro. A. J. Buckner of Chunns Cove were nominated. Vote was taken and Bro. Buckner was elected.

Bro. C. D. Bessenger, chairman of the Nominating Committee made a partial report of that committee. Those presented were elected and it was moved that the Executive Committee of the Association be instructed to seek out and elect persons to fill the places left vacant. The full slate of officers elected is recorded in the Directory in these minutes.

A motion that Bro. Carl Perry be elected to head the department of Music Ministries carried.

Bro. William Cannon, pastor of the Revell Mission of the Asheville First Church, presented the report on Religious Literature and moved its adoption. The motion prevailed. Rev. C. W. Bazemore of the Biblical Recorder was presented to speak on Christian Literature.

1958 REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Human beings take on the color and nature of what they read. Never before has there been so much to read. Much of this popular literature is bad. Much of this unclean reading matter gets into Baptist Homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

How much sound, clean Christian literature comes into your home each week to lift up, inspire, and enrich the minds and hearts of your family? Is your reading table a silent witness to your Baptist faith and practice?

When North Carolina Baptists organized themselves in 1830, Thomas Meredith, appointed by the body to send out a letter stating its purpose, said: "The Convention was organized for the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The Constitution of the Convention soon afterward stated that its main purpose was "The promotion of missions. Christian education, social service, and the distribution of sound Christian literature." The BIBLICAL RECORDER was founded in 1833, to help carry out these noble aims. For 125 years, it has borne the Baptist message in North Carolina.

The RECORDER has three subscription plans: Single subscription is $2.50 a year. The Club Plan, with 4 or more subscriptions, is $2.00 a year. The Every-Family Plan, with one subscription to each resident family or home in the church, is only $1.50 a year.

We sincerely urge all pastors, associational workers, Sunday School superintendents and officers. State workers, Training Union, Brotherhood, W.M.U. members and others to promote in every possible way the Every-Family Plan or at least a good-sized RECORDER club in every church. The Baptist paper ought to go into every Baptist home.

We must all work together in the will of God as we strive to promote every worthy cause and object dear to the hearts of North Carolina Baptist people.

Faithfully yours,
L. L. Carpenter,
Editor and Business Mgr.

The report of the Council Librarian by Mr. M. H. Cox was read by the Clerk and the vote to adopt was unanimous.

ASSOCIATIONAL COUNCIL LIBRARIAN'S REPORT

This being the second annual report of our Committee, we are glad to report that all our libraries are functioning well and doing a grand job.

This past year we have been revitalizing several of our church libraries and will have more of this kind of work to do the coming year besides establishing new ones. We welcome two new libraries to our group, Black Mountain First Church and Arden Chapel and hope several more will join us this coming year.

The Council held meetings each quarter during this past year, meeting with various churches. The attendance was good but we need representatives from more of our churches.

Your Council Chairman, with three members of the Association, attended the First annual meeting of the North Carolina Baptist Church Library Convention at the First Baptist Church of Sanford, N. C., on May 3, 1958. Two members of the Buncombe Association held office in this convention. M. H. Cox, Vice-President, Miss Florida Waite, Program Chairman.

A church library is as important to a congregation as any of its organizations because the books furnish information and helps on the Sunday School lessons, Training Union, W. M. U., Brotherhood and program material for each department of the church, as well as good clean reading for spare hours of relaxation, with fun and good times for God's people.

A church that does not have a library is missing a great opportunity in helps for the pastors, deacons, officers, teachers and laymen in carrying on the Kingdom work in the community.

My Christian friends, will you not give this your careful and prayerful consideration, calling on your Council librarian to help establish a library in your church.

M. H. Cox,
Associational Librarian

Mr. Carl Perry presented the church music report and moved its adoption. Rev. Joseph Stroud of the Church Music Department of the N. C. Baptist Convention was introduced and spoke on "A Program of Church Music Education". The vote prevailed to adopt the music report.

A report on the work of the Allied Church League was brought by Rev. R. W. Hawes of Shelby. A vote to commend the work prevailed.

A report on the work of the American Bible Society was presented by Bro. Bert Starnes of the Grace Church.

REPORT ON AMERICAN BIBLE SOCIETY

Southern Baptist plans for the Baptist Jubilee Advance, 1959-1964, remind us that

In every missionary advance
the Bible goes forward first!

The Bible is a "must" in missions and evangelism. If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. The Bible is the missionary's chief

tool. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave — and keep on speaking to a person's heart.

Every man must have the Bible in his own language, but in most countries the people cannot afford even the cost of printing the Scriptures.

The **American Bible Society** helps to **translate** the Bible, **publishes** without note or comment and **distributes** without profit, usually below cost, for worldwide mission work. For the Blind, it supplies Scriptures, at a small fraction of cost, in raised-letter systems and on Talking Book records. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist mission work at home and abroad.

During 1957 the American Bible Society —

—distributed throughout the world nearly 15 million volumes of Scriptures.

—donated more than one million Scripture volumes for distribution by Chaplains to our Armed Forces.

—introduced the Finger Phono, a new feather-weight plastic phonograph, operated by one finger. These are being supplied, with Scripture recordings in the languages needed, in areas where very few people can read. They are now in use among the Navaho Indians in the U. S. A., and in various parts of Africa and Asia.

—accepted a new joint responsibility, with the British and Foreign Bible Society for the work in India, in France and in the Congo Basin of Africa.

Southern Baptists Support the Work

In 1957, Southern Baptist churches gave $118,815 to the American Bible Society — but still stood in second place, exceeded by Methodist gifts of $136,499.

The help of every Southern Baptist church is needed.

Please send gifts to your Baptist state office marked "for the American Bible Society".

Miss Ruby Johnson of the Personal Guidance Council was presented and introduced Rev. J. H. Black of Trinity Church to speak on the work. Motion that this report, when written, be included in the minutes of this session of the Association carried.

PERSONAL GUIDANCE COUNSEL REPORT

The Personal Guidance Counsel is a non profit organization, organized by faith, supported by a number of churches of different denominations and individuals who are willing to make such sacrifice as is necessary to promote such a needy cause which is close to all our doors.

The work is just what the name implies. It is the special effort to guide in right paths those who are sick in soul, mind and body which is Christianity at its best. There is no such thing as being a Christian without two persons, those two persons being the privileged and the under-privileged. When the privileged stoops to the level of the under-privileged and tries to lift him to the level of the privileged then you have Christianity in the purest sense of the word.

In Isaiah 41:6, we read — They helped everyone his neighbor; and everyone said to his brother, be of good courage.

Let me call your attention to an unforgetable experience of the Disciple in that last meeting with Jesus before his crucifixion, recorded in John 13th chapter. This was a time and place of testing. Someone must take the place of a Servant. How different the stand-

ard of greatness sought by the Apostles and that practiced by their Lord and Master. If I then your Lord and Master have washed your feet; ye also ought to wash one another's feet. John 13:14. Also read Phil. 2:3-16. Jesus made himself of no reputation - - - -.

A—We need humility in positions of honor and responsibility. No one of the twelve were willing to take the place of a servant.
1—Humility is the foundation and bond of virtue. If we are to be great, we must be servant of all.
2—Humility is the believers greatest honor. Wherefore God also hath highly exalted him and given him a name which is above every name. Phil. 2:9.

B—Littleness has its eye on human praise. Bigness has its eye on achievement. Jesus became obedient unto death, even the death of the cross.
1—Sacrificial service goes on, eye service fades away.

C—The hardest thing we have to do is to denounce self.
1—The world needs people who are humble.
2—The richest pearl in the Christians crown is humility.

D—While human beings were reaching for the top, Jesus was reaching for the towel.
1—Pride is keeping multitudes out of the kingdom.

We have here what Jesus did, when he did it, and why he did it. I therefore appeal to you not on the merit of achievement but on the merit of human need.

Motion was made by Bro. Wayne Williams that the minutes of this year be dedicated to Rev. J. B. Grice. The motion was seconded and carried.

Bro. Wayne Williams, Historian, presented the history of the Association for the year just closed. The report of the historian was adopted.

HISTORIAN'S REPORT

For their metes and bounds, Southern Baptists now embrace the entire U.S.A., from ocean to ocean, from Gulf to Gulf, North, South, East, and West. What a lordly domain! What an enormous territory! What a far-reaching landscape! What a promising, challenging field! It is the greatest Baptist area on earth.

And, believe it or not, every day of the year, between sunrise and sunset, two new Baptist churches arise; they are organized and launched forth to the witness of Christ from the rivers to the ends of the earth, their new spires pointing upward toward the God of heaven.

That we are the largest and fastest growing denomination in the South is perhaps known to us all. In the nation at large, according to the Census Bureau, there are 23,500,000 of us, white and colored; incidentally, not many integrated as yet.

In Buncombe County, there are 125,000 souls. Of these 26,000 are Baptists in the Buncombe Association, to say nothing of a few churches in the New Found Association, in the western area of the county, in Leicester and Sandy Mush townships. That is to say, a little better than one in every five citizens in our county belongs somewhere to a Baptist church. Thus, we must admit, we carry a very heavy moral and religious responsibility.

Last year was a very good year among us. We are, in some measure at least, facing up to our opportunities. We make a few observations:

No new churches were organized. Fact is, we lost one, namely French Broad Avenue, which withdrew from our fellowship and changed its name to the Temple Church.

Four missions are being operated; the Revell, in Asheville, the Arden, near Royal Pines, both by the First Church, Asheville; the mission Sunday School at the Orthopedic Hospital, by our Craven Street Church; the Anderson Cove mission, near Barnardsville, by the Association itself. Our associational missionary, Brother Robert T. Hughes, says we ought to have a dozen such missions throughout the county.

Many of our churches are improving their physical facilities, in this the greatest church building period in church history. Buena Vista broke ground for its new sanctuary on June 5 of this year. Swannanoa First, Charles Wesley Smith, pastor, has a $120,000 auditorium under construction, and anticipates entering it by Thanksgiving. Its beautiful spire is an inspiring sight to the thousands of passers-by on North Carolina's main street, Highway 70. Skyland Church has entered its lovely sanctuary. Cumberland Avenue Church in Asheville, has done likewise.

New educational plants are being erected. Beverly Hills, in March last, began a beautiful and imposing structure, which will soon be open for the Lord's business. In November, '57, Black Mountain dedicated a $100,000 plant. Inanda began its Sunday School annex last Spring. Mt. Carmel, in March, began using its new educational facilities. Reed Memorial began construction on its educational addition in November, '57. Chestnut Grove Church, in the Barnardsville section, has dedicated new Sunday School rooms recently. Mountain View, on North Fork, near Black Mountain, has added a number of lovely classrooms. Other churches over the Association have made improvements to their educational equipment. Thus the good work goes on.

One new parsonage, an attractive brick structure, was dedicated by New Found, oldest Baptist church in Buncombe County (1802), and Pastor H. E. Davis is happily ensconced therein.

Pastoral changes have occurred, as follows: Joe Hawkins, to Bee Tree; John Grant, Biltmore; Daniel Stephenson, Bingham Heights; John Middleton, Chestnut Grove; Fred Jarvis, Cole's Cove; Hobart McFalls, Edgewood; B. E. Samples, Emma; John Bowden, Enka; Wm. O. King, Inanda; Paul Hyde, Midway; Wm. M. Jenkins, Morgan Hill; J. R. Sipes, Mt. Pisgah; W. A. Rich, New Liberty; Russell Thomas, North Black Mountain; G. H. Jamison, Pole Creek; James Jettson, Mars Hill student, Anderson Cove — the first regular pastor there, by the way.

We note, incidentally, a decrease in pastoral changes, only sixteen as compared to twenty-four in '57. Perhaps our churches and ministers are becoming better stabilized. It is said that the ancient Methodist circuit rider never set a hen; he was afraid he wouldn't be there when she hatched. Brethren, let us not emulate these Methodist parsons too much.

One of the oustanding events of the year, unquestionably, was the regional Sunday School Clinic, held at the First Church, Asheville, January 21-24, in mid-Winter and cold as whiz. Experts from the Raleigh and Nashville offices directed the program. Attendants came from seven states; one came all the way from Brazil, South America, a "fur piece" indeed.

A continuous revival among a number of our churches began in September, '57, and held forth without a break until Christmas.

We are happy to report that a larger number of our churches are now contributing to the cause of associational missions than ever before, 61 out of 88, to be exact.

And now, my brethren, as we stand within the threshold of a new associational year, we face the sunrise with hope and promise. As Missionary Baptists let us dedicate ourselves anew to the unfinished task of giving the gospel to a world that largely still sits in darkness and the shadow of death. In the language of the old hymn,

"Shall we, whose souls are lighted
With wisdom from on high,
Shall we to men benighted,
The lamp of life deny?
Salvation! O salvation!
The joyful sound proclaim,
Till earth's remotest nation
Has learned Messiah's name."

Historian

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recom-

mendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the programs for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The Committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This Committee should keep a close watch on the needs of the Association for an adequate budget, for a well balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the Associational program of work and upon the ability and willingness of the churches to support the proposed budget.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

17. Finance Committee.

This Committee shall have three members. They shall see that all expenditures are kept within the budget, and supervise all financial matters. This Committee shall counsel with the Financial Secretary during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of this committee to see that the Treasurer and Financial Secretary are properly bonded and that an audit of the books be made at least once each year.

18. The Nominating Committee.

This Committee shall recommend at each annual session of the Association all officers except the Moderator and Vice-Moderator.

19. Home For The Aging Committee.

The work of this Committee is to encourage and to assist our churches in their support of our Home for the Aging.

20. Seminary Extension Committee.

This Committee shall promote and plan the holding of Seminary Extension Classes. This Committee shall also promote and encourage pastors who have no Seminary training to attend the Fruitland Baptist Bible Institute.

DEDICATION

To the late Rev. Wayne W. Williams, beloved friend and pastor in the Buncombe Association, this issue of our Minutes is affectionately dedicated.

REV. WAYNE W. WILLIAMS

Brother Williams was born July 12, 1895 in the Yellow Creek section of Graham County. He moved with his family to Bryson City in Swain County when he was five years old and was educated at Bryson City High School and Wake Forest College.

While a college student, he enlisted in the Army as a private and was later commissioned a first lieutenant during World War I, serving as a chaplain. Following five years' Army service, Mr. Williams reentered Wake Forest and was graduated and then completed work at Southern Baptist Theological Seminary.

Mr. Williams' first pastorate was the Black Mountain Baptist Church. He later became chaplain at Oteen Veteran's Administration. He organized the Oteen Baptist Church, and was a Vice Moderator of the Buncombe Association. He was Historian for the Association at the time of his death. Brother Williams was noted for his colorful descriptions, and well beloved by all who knew him.

NEXT SESSION

The next annual session of the Buncombe Baptist Association will be held with the Reed Memorial Church, Biltmore on Tuesday, August 16, 1960 and the Oteen Baptist Church, Oteen, N. C., August 17, 1960.

CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Association.

Membership

Article 2. (Sec. a.) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

(Sec. e.) Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Not more than two members of a committee may succeed themselves until at least one year has elapsed after their official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of the members of the Executive Committee.

(Section b.) In the event of some emergency that makes a call meeting of the Association necessary, either the Executive Committee or preferably the Promotional Committee shall have the authority to call a special meeting of the Association, provided that a notice of the time, place, and purpose of such a call meeting shall be mailed to the pastors and clerks of the churches of the Association at least two weeks in advance of the time set for the call meeting.

Article 9. The associational year shall begin with the first of July of each year and close with the last of the following June.

The Promotional Committee

Article 10. The duties of this committee shall be to carry out the policies and will of the Association as so expressed, nor shall it take any action contravening the will of the Association, nor shall it initiate any new policy or practice binding upon the Association unless specifically so directed; provided: that in an adequate emergency it may take such action as may deem necessary, but such action so taken shall in every case be submitted to the next meeting of the Association for appropriate consideration. It shall make a full and complete report of its activities at the next Association. It shall meet on the first Monday in each quarter at the time and place appointed for the meeting of the Buncombe Baptist Ministers Conference. The officers of this committee shall be the officers (ex-officio) of the Association. These members at large shall be elected on a three year rotating plan, with a new member being elected each year from each district. The Clerk and Missionary shall be ex-officio members of the committee. The members of the Committee, with the exception of the Moderator and Vice-Moderator shall be nominated by the Committee on Committees unless otherwise determined by the Association. It shall be the duty of this committee to study, plan, and promote the work of the Association in keeping with the policies outlined by the Association; and this committee shall have power to act for the Promotional Committee and the Association between the regular meeting of the Promotional Committee and when the annual meeting of the Association is not in session. Standing Committees

Article 12. The Association shall have such standing committees as may be considered necessary to promote efficiently the work of the Master in our midst, the members of these committees to be nominated annually by the Committee on Committees unless otherwise determined by the Association. These committees shall make reports of their work to the Promotional Committee or to the Association in annual session.

ADOPTION

Article 13. This Constitution shall take effect immediately upon its adoption and shall supersede any and all constitutions previously adopted.

Revision

Article 14. This Constitution may be immediately revised at any session of the Association by a vote of two-thirds of the messengers present or by a simple majority provided notice of such revision shall have been given at a previous annual session.

DUTIES OF STANDING COMMITTEES

1. The Committee on Committees.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The commit-

tee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages. An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise plans should be made for simultaneous training schools in churches or for central training schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional

Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers Retirement Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before deacons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This Committee should keep a close watch on the needs of the Association for an adequate budget, for a well balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the Associational program of work and upon the ability and willingness of the churches to support the proposed budget.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

17. "Finance Committee"—This committee shall have three members. They shall see that all expenditures are kept within the budget, and supervise all financial matters. This committee shall counsel with the Financial Secretary during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of this committee to see that the Treasurer and Financial Secretary are properly bonded and that an audit of the books be made at least once each year.

18. "The Nominating Committee". This Committee shall recommend at each annual session of the Association all officers except the Moderator and Vice-Moderator.

19. "Home For The Aging" Committee. The work of this committee is to encourage and to assist our churches in their support of our Home for the Aging.

20. "Seminary Extension Committee." This committee shall promote and plan the holding of Seminary Extension Classes. This committee shall also promote and encourage pastors who have no Seminary training to attend the Fruitland Baptist Bible Institute.

Miss Vonnie Lance, President of Buncombe WMU presented the report, which was adopted. Miss Lance spoke to the report and presented the Associational officers. Mrs. E. G. Altland, Vice President, was given some time to present the Jubilee Advance as it affects the Buncombe Association.

REPORT OF WOMAN'S MISSIONARY UNION

In the 91 churches of the Buncombe Association, 58 Missionary Societies are being reported, though as some have not been heard from there is grave doubt that there are actually that many in existence. However, there has been an increase in the number reporting from quarter to quarter which may be called progress.

The WMU is made up of five units, vis: the WMS, the YWA, Jr. and Intermediate G. A. and Primary and Beginner Sunbeam Bands. Twenty-two churches have all five, though many have only a WMS which means there is a need for more interest in and concern for the religious training of our young people.

In the Association we now have three youth directors and each of them has an assistant. Mrs. Lynn Buckner, who for years past has had the interest of all these organizations at heart, is now doing a grand job with the YWA's and progress can be seen in this phase of the work as they meet quarterly in their councils. Mrs. Weldon Chandler of Weaverville was recently elected G. A. director and we look forward to greater activity among the girls from 9 to 16 years of age under her leadership. Mrs. L. M. Becton heads the Sunbeam Band work and has given herself unstintedly for some years to the missionary education of our smaller children. Rallies and councils were held with each group during the past year.

In line with the entire Association we have ten district leaders who are making plans for leadership conferences to be held in the districts either separately or combined with other districts.

The Executive Committee which is composed of the officers of the Association meets quarterly, usually in the homes, and the attendance at these has been exceptionally good. Our last one was held at the S & W Cafeteria with 20 members present out of a possible 27.

In the matter of Stewardship our membership has measured up very well with 2,529 members giving through the Cooperative Program, out of a total membership of 3,821. Gifts to the Lottie Moon Offering were over $23,000 and to the Annie Armstrong Offering something over $6,000. The gifts to State Missions were combined with the church membership and there is no record of the amount to that phase of the work. According to reports there are 1,616 tithers among our members.

Out of a total of 239 organizations, 109 engaged in some phase of community missions activity. Mission study classes numbered 201 and 127 organizations observed one or more of the seasons of prayer.

Our watchword for the year 1959-1960 will be taken from Zechariah 4:6—"Not by might nor by power, but by my Spirit saith the Lord of Hosts". It is hoped that we may go forward in His spirit and that much more can be accomplished in His name during the coming year.

Vonnie E. Lance, President

The Moderator appointed the following to serve on the Resolutions Committee: Rev. Robert Bruhn, Chairman, Rev. W. G. Rhinehardt and Mrs. F. C. Miller, Sr.

The Report of the Sunday School Superintendent was read by the Clerk, Rev. Robert T. Hughes, in the absence of Rev. John Bowden. The Report was adopted as follows:

REPORT OF ASSOCIATIONAL SUNDAY SCHOOL

The Associational Sunday School had eleven regular meetings and ten planning meetings last year. A pastor led Sunday School Enlargement Campaign led by Herman Ihley of the State Sunday School Department, took the place of the twelfth regular Associational Sunday School meeting. Nine of the Sunday schools in our Association participated in this Enlargement Campaign. One of the regular Sunday school meetings was planned and promoted by a special evangelistic rally committee in connection with the Simultaneous Evangelistic Campaign in the spring.

One of the highlights of the year was a well attended Associational Bible School Clinic. Many expressed that the clinic was very helpful to them in preparing Bible schools in the churches. Mr. James Jetton served as summer Bible school worker in Buncombe County.

In the regular Sunday school meetings some very important subjects were considered. Some of them were: "The Church's Ministry to The Young People During the Summer Months", "Visitation", "Using Visual Aids in the Sunday School", "Grading", "Leading New Converts in Christian Growth", "A Program of Teacher Training in the Churches", "Sunday School Standards of Excellence", etc.

Meetings were poorly attended with an average attendance of about thirty. Those who did attend the meetings seemed to have good interest in them and expressed that they found them to be helpful. Brother Robert Hughes did a faithful and fine job of co-operating and working with the Associational Sunday school officers.

John H. Bowden, Supt.

Mrs. F. C. Miller, Sr., presented the Report of the Associational Training Union which was adopted as follows:

TRAINING UNION REPORT

To The Buncombe Association — 1958-1959

The Associational Training Union has held all required meetings during the past year and has maintained the standard rating for the last four and one half years.

An additional clinic was held last October for the training of new church officers and leaders. This is suggested as an annual meeting to be sponsored by the Associational Training Union.

Last December 1st "M" night was held with Mrs. J. Winston Pearce as speaker. 1378 people were present from 53 Churches. There has been a gradual increase in attendance for the last five years from 889 in 1954 to 1378 in 1958. The goal for this year is 1450. Dr. Carlyle Marney of Myers Park Church in Charlotte is to be the speaker.

Last January the Training Union took an active part in the Central Training School. 45 churches were represented and a large number of Training Union awards were received.

For the nine months of the year we have recorded to our credit 2731 awards from 55 churches. It is hoped that by September 30, we will reach our goal of 3000 awards from 65 churches.

Two Juniors and two adults have received an "Award of Merit" for the completion of their diplomas with all seals. Others are working toward that goal before October, at which time the new "Church Study Course" for Teaching and Training will become effective and will include Sunday School, Training Union, and Music awards.

Reports for last year showed 33 churches observing Youth Week in April. The Youth Night was the best yet held and it is expected to be even better next April.

Contests were held for all age groups in our Association and we were represented in all the regional contests at Hendersonville. Our Association was represented by 35 Juniors at Fruitland, by one Intermediate in the Sword Drill Contest, and by one adult in the Scripture Reading Contest.

A large number of Training Union members have attended the state and southwide assemblies this summer.

Your Associational Training Union Officers recommend that you co-operate to the fullest extent in the training of our people for greater service.

Mrs. F. C. Miller, Sr.
Associational Director

The Report of the Associational Brotherhood was read by Robert T. Hughes, Clerk, in the absence of W. A. Shelton, Brotherhood President. The Report was adopted as follows:

BUNCOMBE ASSOCIATIONAL BROTHERHOOD REPORT
YEAR 1959

Our Associational Brotherhood aim this year has been to mobilize the man-power of our churches, whether members of Church Brotherhoods or not, in the **entire program** of the churches.

Our quarterly meetings were held at the following churches: Weaverville, Gashe's Creek, Calvary and Patton Avenue. These were well attended by our pastors and laymen. The following programs were presented: Activities of our Royal Ambassador Congress in Fort Worth, by William Drapier and associates; State Missions by Dr. R. L.

Spivey, Secretary of State Mission Board; Foreign Missions by Rev. Schweinburg, Missionary to Begota, Columbia, South America.

The Executive Committee has held their meetings in the Office of the Associational Missionary each quarter and appreciate the help of our Missionary Brother Hughes in planning our programs.

The service the Associational Brotherhood has tried to render has been:

1. To inform and challenge the men of our Association to the need for dedicated workers, not only in our Association, but in our churches and we find that men who have become active in church Brotherhoods soon become better leaders in their churches.

2. To create more interest in our Royal Ambassadors and to accept the responsibility of training our youth for leaders of tomorrow.

3. To help in organizing Brotherhoods and Royal Ambassador Chapters throughout the Association.

4. To promote Brotherhood Clinic for the training of Brotherhood officers.

5. To help promote a Royal Ambassador Clinic for the training of Royal Ambassador Counselors and others who are interested in Royal Ambassador work.

This past year five or six Brotherhoods were either started or reactivated in our Association. Also, that many or more Royal Ambassador Chapters were started.

The Royal Ambassadors under the able leadership of Dr. Frank Martin held a Clinic last fall at Biltmore Baptist Church. A class for Counselors Training at the Central Training School, at First Baptist Church in the Spring, the Associational Conclave at Calvary Baptist and was host for the Royal Ambassador State Congress at First Baptist in April. These meetings were well attended.

The Associational Brotherhood wishes to express its appreciation to Dr. Frank Martin, our Royal Ambassador Leader, for his leadership and work in the promotion of our Royal Ambassadors. Also, wishes to express its appreciation to the Officers and others who have helped promote the Associational Brotherhood. Our work has been done with love and humility and has become a challenge to all to exert more effort, knowing the needs about us and seeing the progress and achievement our Association has made this past year.

The Association needs more Brotherhoods with men dedicated to do their best for Christ, knowing that through the Association, we can accomplish so much more than we can do individually.

W. A. Shelton,
Association Brotherhood Pres.

Rev. C. W. Smith presented the Report on Christian Education, which was adopted. Representatives from North Carolina Colleges present were presented by Dr. Claude Gaddy, Secretary on Council on Christian Education — Mr. Lawson Allen, Gardner-Webb, Rev. M. H. Kendall, Mars Hill College and Dr. L. H. Hollinsworth of Wake Forest College.

REPORT ON NORTH CAROLINA BAPTIST PROGRAM OF CHRISTIAN EDUCATION

In this report we are considering Christian Education in terms of our seven Baptist colleges in North Carolina. In its broader meaning, the term includes many other educational and training activities in our local churches.

Chronologically we recognize our seven colleges as follows:

Wake Forest College	1934
Chowan College	1848
Mars Hill College	1856
Campbell College	1887
Wingate College	1896
Meredith College	1899
Gardner-Webb College	1907

It should be noted that progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than a half century. Fortunately, the geographical distribution of these colleges throughout our state makes one of them fairly close to all our Baptist young people. Time does not permit us to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than $10,000,000, of which our Baptist people, through church offerings, provide approximately five per cent. Students, through tuition and fees, pay approximately 60 per cent and the remaining 35 per cent comes from endowment and gifts. If it were possible for the colleges to apply the total of approximately $1,000,000 given through our churches to their operating costs, the present five per cent would become 10 per cent of the operating costs. It is hoped that this will be possible in the near future through some long-range Convention plan for meeting the capital needs of all institutions and agencies, thereby leaving income from Cooperative Program and special offerings for current operating needs.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best, and that these Baptist colleges also provide for them what present-day young people expect and demand in a college community. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects; but we cannot stop here and expect to attract

our young people. Such matters as costs, scholarships, athletics, etc., will be determining factors.

As Baptists, we must love our colleges to the point of understanding them and their importance in all departments of work. If we love them and believe in them, we shall see that they are given sufficient money to become the kind of colleges that will attract our young people. We can't force young people to go unless they want to go. We must join hands with administration and faculty to make these colleges so attractive that they will be selected by our young people. As a denomination, our future will depend largely on the type of leadership we educate in our colleges.

For the third year our Christian Education emphasis was observed on Father's Day, Sunday, June 21. The response this year has been most encouraging, both in the wide use of the various promotion materials prepared and in the offerings made on Father's Day. It is our hope that the observance of this annual emphasis will result in a better understanding of these colleges and their importance in our work, as well as added financial aid sufficient to meet the ever increasing costs of operating these colleges. Every possible effort must be made to keep the charges to students as low as possible. Many of our finest Baptist young people are among our lower income families and find it difficult to meet the costs of a college education.

With all the progress we have made in enlarging the facilities of these seven colleges, we are providing for only one of every four Baptist youth going to college; and it is doubtful that we shall be able to maintain this ratio with the coming tidal wave of college students, nearly one-half of whom will be our Baptist young people.

It is the earnest desire of our North Carolina Baptist Council on Christian Education that we be alert in all our Baptist churches to recognize and to direct promising young people into one of these Baptist colleges.

As pastors, parents, and church leaders, we should face these facts courageously and lead our people in meeting this great but not impossible challenge.

A Report of the work of the American Bible Society was presented by Rev. G. H. Shope, Jr., and adopted:

REPORT OF AMERICAN BIBLE SOCIETY

Throughout the world today there is much political, social, religious, and economic tension. If the people of our world are to find the solution to the many problems that confront us and there is to be peace on earth and good will toward men every individual must have the Bible, God's Holy Word.

The Bible is a must in missions and evangelism and only through its living message and through Christ, the Prince of Peace, can we find that peace, hope and assurance which the human heart cries out for and seeks after.

The American Bible Society helps to translate the Bible, publishes without note or comment, distributes without profit for mission work and evangelism around the world.

In the year of 1958 the American Bible Society: —

Publications reached over 12 million copies.
—Distributed at home and abroad 1,038,343 Bibles; 1,815,534 New Testaments and 13,775,609 Gospels and other portions. A record total

of 16,629,846 scriptures — the circulation being in 201 languages.

—Furnished 1,064,104 volumes of scripture to military and Veteran's Administration Chaplains, through whose vital ministry thousands of men and women are given scriptures and encouraged to read the Bible daily.

—Reached more than 100 million people in the United States with the World-wide Bible Reading program through the secular and religious press.

—Adopted the largest operating budget in history of the Society for 1959 to meet the growing Bible needs of churches around the world.

Southern Baptists support the work: —

Southern Baptists exceeded all other denominations in gifts to the support of American Bible Society for the year of 1958. We gave over $162,000.00 in the past year which shows an increase of better than $43,000.00 above what we gave in 1957.

Last year Baptists of North Carolina gave a little over $7,600.00 for American Bible Society which was slightly less than what we gave in 1957.

May we, as individuals, local churches, Association and Baptists of North Carolina increase our gifts to this great cause and the carrying out of the Great Commission in the coming year.

G. H. Shope, Jr., Chairman

The Report of the Committee on Evangelism was presented by Dr. W. Perry Crouch, Chairman. This report as given below was adopted:

ASSOCIATIONAL REPORT ON EVANGELISM

Evangelism is a word that is often misunderstood in our churches today. Many of our people seem to think it refers to securing new converts and baptizing them. Once this is done, they seem to feel that their task is over. This is an important part of the Great Commission, but only a part. We should remind ourselves that Jesus said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." Matt. 28:19-20 Thus the Great Commission does not stop with conversion, it involves the whole process of making disciples. Unless a person has become a witnessing disciple, he has not become the Christian he should be.

Our churches need to seriously look into this larger concept of evangelism and count their strength in terms of genuine disciples. However, this process of making disciples is begun with personal soul winning, revival emphasis, and a genuine concern and interest in lost people on the part of pastor and others who are already disciples of Christ.

The work of evangelism should be a constant program in our churches, with special emphasis through revival meetings once or twice per year. It is our urgent hope that we may soon reach the time when every Baptist church in the Buncombe Association will report some baptisms each year.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the State participated. Most of them did more praying, planning and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

We recommend that (1) that the Evangelistic Committee for next year make an effort to encourage every church in the Association to have at least one revival during the year, (2) that an evangelistic rally for pastors and leaders be planned in the Association some time during the year, (3) that some effort be made to help churches that report no baptisms to plan for special services during the year.

W. Perry Crouch, Chairman
Committee on Evangelism

After the singing of a hymn Rev. Nane Starnes, Pastor of West Asheville Baptist Church, brought the annual message, in which he reviewed the past, the present and a look into the future of our Association.

Following the closing prayer a delicious lunch was served by the Swannanoa Church.

AFTERNOON SESSION

The afternoon session was called to order at 1:30 p. m. The Hymn "I Will Sing The Wondrous Story" was sung by the congregation.

Rev. Neils Larsen read a scripture passage and led in prayer.

Rev. W. A. Snyder was presented to give a report on the Work of the Personal Guidance Council. His Report was adopted.

Rev. Frank Robinson, Chairman of the Nominating Committee was called to make the Report. The Officers were elected as nominated and their names listed under "Officers of Association".

The Report of Associational Missions was presented by Missionary, Robert T. Hughes, and approved:

REPORT ON ASSOCIATIONAL MISSIONS

The purpose of Associational Missions is to help the churches. Thus, the reports of the organizations listened to earlier are all reports on Associational Missions for they all exist for the purpose of offering help to the churches in doing their work.

In addition to this organizational work your Association carries on other work designed to help the churches. One of these is the promotion of Vacation Bible Schools. The VBS Clinic in April of this year was generally acclaimed as being a most helpful project. Reports from the schools show a marked increase in ten-day schools, which means an increase in the quality of work being done. Five of the schools reporting were able to report themselves as being standard.

Some of our churches continue their work of Survey of Church Potential, leading to improvement of their work in their churches. While some of this work is done under the leadership of the pastors with a minimum of assistance from the Missionary, two such surveys have been conducted by the Missionary, one at Starnes Cove and one at Kerlee.

The work of our Anderson Cove Mission shows progress. The Association has continued to support a pastor there who held services once each Sunday. The value of his work is indicated by the evangelistic record they present this year. Starting the year with 12 members they now report 27, all 15 of the new members coming by way of Baptism. By a current standard of measurement of evangelistic progress, this is a ratio of better than 1 to 2, a better record than has ever been made by any Church reporting to this Association. Our average for last year was 1 to 28, with the best record reported by any church being 1 to 5.

We regret that our Anderson Cove pastor will not be able to continue his work there this next year, but wish him God's rich blessings in whatever field he shall be called of the Lord to serve.

Robert T. Hughes, Missionary

Rev. A. P. Sprinkle read a report on the Minister's Protection Plan of the Relief and Annuity Board. The Report was adopted.

MINISTERS RETIREMENT PLAN

More than 5,300 retired or disabled ministers and denominational workers or widows are receiving benefits from the Annuity Board. Approximately 1,300 of these are on the relief rolls and receive a share of the $325,000 from the Cooperative Program designated for this work. The others receive a monthly check provided through their participation in one of the Board's protection plans. Total benefits paid out in 1958 were $2,414,767.90.

Certificates were issued to 3,113 new members in all the Board's protection plans in 1958. This is a 27% increase over the previous year. The Southern Baptist Protection Plan showed the largest increase, 1,548 new members. A total of 1,047 new churches and employers were enlisted during 1958.

Even with the increase in new members as recorded above, there are still more than 60% of our Southern Baptist pastors not covered by the Annuity Board's protection program. Until this percentage is greatly reduced or eliminated completely, the Board is not fulfilling its purpose of providing security and protection for every Southern Baptist minister and church. During 1958, officers of the Board met with leaders of every state convention seeking a solution to this problem. As a result of these meetings, the Annuity Board is asking the local church's help in seeing that every pastor and church has this protection. Each church is being asked to enroll its pastor in the protection plan, paying two-thirds of the cost of the plan. The state convention has already agreed to pay the other one-third for every pastor in its state. When every church does this, the Board's ministry will be what it is meant to be, a protection program for the entire Southern Baptist ministry, and not just for a small percentage of pastors.

As an illustration of the wisdom of the plan and the benefits here are some facts. I paid into the plan $1,100. I now receive $1,300.00 per

year. I retired about two and a half years ago and have drawn $3,-200.00. Another friend tells me that he paid into the plan about $1,-700.00. He now draws $1,500.00 per year. He has been retired about two and a half years and has drawn $3,700.00. We read in the Bible about seven fat years and seven lean years. Surely this is a lesson for the minister. There are coming lean years and the minister can lay up for the lean years by entering the Southern Baptist Protection Plan. Do it now, do not wait until it is too late.

The Report on N. C. Baptist Childrens' Homes was read by Rev. M. D. Smith and motion made to adopt it. Rev. W. R. Wagoner, Supt. of the Homes was presented to speak to this Report, after which the vote was taken to adopt it.

CHILDREN'S HOMES

More than 1,000 boys and girls were served by the Children's Homes last year. Mills Home, Kennedy Home and Odum Home cared for 547 children while 197 lived in Foster Homes. Through the Mother's Aid program 40 children were able to live with their parents. Financial help was given to 30 college students. Case workers helped 214 additional children to find homes with relatives and other social agencies.

Three new cottages are now being built — one at each of the three homes. On July first, 1959, Mr. Vernon S. Sparrow became Superintendent of Mills Home. Before assuming his new position Mr. Sparrow served as Associate Pastor and Minister of Education in First Baptist Church, Lenoir.

Following the report of the Committee of Twenty-Five the Baptist State Convention adopted three significant recommendations:

1. That the number of children in foster home care be increased to approximate the number in institutional care.

2. That the Children's Homes begin to develop new types of programs to help children who are not being care for in other ways.

3. That increased attention to families throughout the state by well-trained, mature case work consultants to help avoid family break downs.

For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be about $65,000. The only way the Homes can meet the $65,000 deficit this year is through a substantial increase in the Thanksgiving offering.

Harry DeWeese, Chairman

Rev. W. G. Rhinehardt presented a Report on the work of the Baptist Hospital. Time was given to Dr. C. C. Carpenter from the Hospital to speak after which the Report was duly adopted.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

The Cooperative Program report was presented by Rev. John Grant with a motion to adopt. Dr. Douglas Branch was presented. He brought a very interesting message. (Approved).

COOPERATIVE PROGRAM REPORT

Although Southern Baptists have made progress in teaching and training, in evangelism, in education and benevolence, in missions and stewardship, there is still further need in every field. The most urgent need for advance is in the field of stewardship, this area in recent months has shown a goodly increase. A growing concept of stewardship at home and abroad will enable our Baptist work to reach projected goals that are a necessity to meet the needs of a world whose population is increasing very rapidly. A growing concept in the area of stewardship will give a better understanding of the Cooperative Program and the agencies served within.

What then is the Cooperative Program? It is simply the channel through which the offerings of each worshipper and each church flow into all the world. Such offerings pass from the individual to the treasury of the church. To put it on a local emphasis means this — that a church member who belongs to the church with the smallest membership, in the remotest areas of Buncombe Association can rest

assured that part of his offerings can reach the fartherest point of the earth — where else can you find a program that gives that assurance and trust.

It perhaps can best be said with three prepositions —

"The offerings are brought to God,
It passes into the treasury of the church,
It is for the promotion of Christ's Kingdom everywhere."

Gifts from the Buncombe Association this past year amounted to $146,678.94, this was an increase over the previous year of $23,157.00. This is an increase of 20% over last year.

We can feel confident that the Forward Program of Church Finance has had a very definite part in the increase of gifts over the previous years.

It is recommended that we affirm our conviction that the Cooperative Program in North Carolina is the fundamental, effective, and indispensable channel of providing for all our needs of our work and that we continue through every means at our disposal to urge all our people to join in giving the Cooperative Program their loyal and undivided support. "It is the best we have so let's give it our best".

John A. Grant, Chairman

Rev. W. A. Snyder, pastor of Beverly Hills Church, led in a memorial service for those of our numbers who have departed to be with our Lord since the last annual meeting.

A motion was made that greetings be sent to Dr. J. B. Grice.

The Session was adjourned until Wednesday morning August 12th at 9:30 with the New Found Church, Leicester, N. C.

WEDNESDAY MORNING SESSION

August 12, 1959 — New Found Baptist Church

At 9:30 a. m. Moderator A. J. Buckner, called the session to order. Rev. C. W. Smith led in singing "Blessed Be The Name". Rev. Carol Owenby read from the Scripture and led in prayer.

The New Church Study Course for Teaching and Training was presented by the Missionary for information.

REPORT ON TRAINING

Our Association was spearheaded with a strong Central Training School, held in January. Forty courses were offered in all phases of church work. We had a total of 685 enrolled with an average attendance of 640. Forty six Churches were represented. Emphasis was placed on the local Church doing as much training as possible during the year.

Since our Sunday School Board can offer every Church a plan of study that will be a correlation of our Sunday School, Training Union and Music Ministry, beginning October first, we recommend that every church take advantage of this new plan. It is designed to unify all of our training, yet giving a person the opportunity to major in whatever field he desires. The course begins with Juniors through Adults.

Max Sanders, Chairman
Committee on Training

Mr. M. H. Cox, Associational Librarian, presented the Report on Church Libraries. Report was approved. Mr. Cox spoke giving some interesting ways in which every church could have a library.

ASSOCIATIONAL COUNCIL LIBRARIAN'S REPORT

We do not have many new libraries to report at this time except Flat Creek and New Bridge but a number of churches are in a building program and making plans for library space.

With the help of the Library Service or Department of Nashville, we have worked out a plan whereby any church that wants a library can have one. The attached sketch, showing a two-section roll-away cabinet that will hold 300 to 400 books, can be built for $25 to $35, including drawer for supplies, lock and key.

In every group or congregation there is hidden talent waiting to be used. Someone who loves children and books will be glad to take charge of a library of this kind in any church that does not have available space.

We do not want to add to the minister's tasks but we do suggest that he appoint a library committee first, then let them work out the details with the help of the free book offer from the Library Service of 5 or 10 books, together with five books from your Council Librarian.

With world conditions as they are, our children and young people, as well as adults, should be reading good, clean Christian literature that will help build character. Good books are educational and enlightening to the mind and food for the soul. A church library can be a powerful force in forming attitudes, building fortitudes and strengthening the evangelical fervor of a Christian church. Jesus rebuked people who could not read "the signs of the times". Indeed, that was the only kind of illiteracy He ever rebuked. How can we love God with our mind if we do not have knowledge of what is going on in our world.

A lot has been written about "How to make a success of your Church Library", but we are interested in "How to start a library in our smaller churches".

How can a pastor and his church leaders gather enthusiasm for such a project? First, we must get the pastor interested in supporting a church library. It takes one dedicated layman to get the library started but without the pastor's active support, it will not be easy although it can be done. With the full spiritual help of the pastor and a few truly interested members, willing to work and pray, just any church can start a library. A church library is not a collection of books but a collection of selected religious books and helps for the congregation as a whole.

The important thing is **"start a library"**, even if you have to start small. With one person from your church, who is a dedicated Christian and wants a library enough to do something about it, your Associational Librarian will see that you get help.

M. H. Cox,
Associational Librarian

Rev. J. Lester Lane presented the report on the Homes For The Aging. The Report was approved and Rev. James Hayes, Supt. of the Homes was presented to speak.

NORTH CAROLINA BAPTIST HOMES FOR AGING

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the homes — Resthaven, Albemarle, and Headquarters — have had a good year, and have been filled practically all the year to capacity — 119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

Since the average age of a resident is about **80 years,** there were several deaths during the year. Among the deceased was the oldest resident, "Uncle" John T. Holt, formerly of Wilsons Mills, N. C. He died July 13, being 99 years of age. Had he lived until February 26, 1960, he would have been ONE-HUNDRED YEARS of age. He was a resident of the Homes nearly eight years, and for the past two years was a patient in the infirmary of the Headquarters Building. He was, indeed, a great soul, and all connected with the Homes keenly miss him.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, yet there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the infirmary at Headquarters have been prepared, and construction of 28 additional bedrooms should begin by September or October.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Homes, and (2) to raise about $75,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the HOMES to 170 residents.

Would **you** like to have a generous part in **helping** to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer

our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

Mrs. George Pennell presented the Report of the Committee on Committees. This Committee was asked to make some corrections and turn in report to Clerk for publication. The Report was approved and the list of names appears under "Standing Committees".

The Digest of Letters of the Churches was presented by Rev. Robert T. Hughes, who distributed mimeograph copies showing increases, losses and percentages. This Report is given under heading "Digest of Letters".

A Report on Chaplain's work in Memorial Mission Hospital was read by Rev. G. H. Hamby and a motion made by him that the matter of a Chaplain in Asheville Hospitals be referred to the Executive Committee for study and a future report. The motion carried.

REPORT ON MEMORIAL MISSION HOSPITAL

First, the Memorial Mission Hospital has opened its door for a Baptist Chaplain. If we could put a Chaplain in this Hospital, we could meet a great need here in Western North Carolina.

Second, some work has been done through our Baptist Pastor's Conference toward getting the funds to meet the needs for the work, but as yet we do not have enough to employ a worker. We feel that our Baptists here in the Land of the Sky could not do a greater thing than to supply a worker for these sick people.

Third, our Committee would urge you to make this a matter of prayer in your Churches, because this is a responsibility of the Churches.

I make a motion that this matter be given to the Executive Committee for future study and bring a report to the Association at a future date.

The duty of this committee is to bring to the annual meeting of the Association a nomination of the personnel of the standing committees, to name the committees on Resolution and Time, Place, and Preacher, and to nominate any other committee authorized unless otherwise provided for; however, it shall be the privilege of any qualified messenger to make substitute or additional nominations for members of any committee.

2. The Committee on The Cooperative Program.

This committee should explain the working of the Cooperative Program where it is not understood, encourage all the churches to be liberal in their gifts through this plan, and keep before the churches all the objects included in the program. A report of the committee's activities should be brought regularly to the Promotional Committee.

3. The Committee on Evangelism.

This committee should seek to keep alive the fires of evangelism in all the meetings of all the organizations of the Association, encourage and help arrange, if necessary, evangelistic services in churches not reporting baptisms, and help provide evangelistic services in unchurched sections within the bounds of the Association. Reports of work done should be made quarterly to the Promotional Committee.

4. The Committee on Location of New Churches.

This committee should keep alert to any developments that may make a new church a necessity, advise with groups considering a new church about the necessity of such organization and seek to encourage the best location possible of buildings when new churches are formed or when places of worship are moved. This committee should report its work to the Promotional Committee and be prepared to bring recommendations to the Association about the reception of new churches.

5. The Committee on Ordinations.

This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

6. The Orphanage Committee.

The work of this committee is to encourage and to assist our churches in their support of our North Carolina Baptist Orphanages.

An effort should be made to encourage all the churches to have a systematic plan, either by the once-a-month offering in the Sunday Schools or an amount in the budget for this purpose. The Thanksgiving offering of cash or in produce should have the careful planning of this committee. Reports should be made to the Promotional Committee regularly.

7. The Hospital Committee.

The work of this committee is to co-operate with the Baptist or Protestant chaplains or both in the Oteen and Moore General Hospitals and in the Western North Carolina Sanatorium to the end that the patients in these hospitals who are Baptists or Baptist inclined or others who may not be ministered to may have a ministry of sympathy and helpfulness in keeping with the teachings of Jesus concerning the sick and needy.

8. Committee on Pastorless Churches.

The work of this committee is and can be advisory only. This committee should encourage pastorless, part-time churches to form fields with pastors located as near the center as possible, assist churches when called upon or when there is an evident need, when such help is welcomed, to find most suitable pastors, and to serve as contact man for worthy men desiring to become pastors. A report of all work done should be made to the Promotional Committee.

9. The Committee on Training.

This committee should encourage the churches to provide the best training possible for their present or prospective Sunday School officers and teachers, for members of the Training Union and for members of other organizations to the end that our churches will be filled with trained and informed leaders and members. As it seems wise plans should be made for simultaneous training schools in churches or for central trainings schools, and when needed, help should be given in providing teachers for training schools. The Promotional Committee should be kept informed about the work done by this committee.

10. The Committee on American Bible Society.

This committee should do what it can to encourage our churches and individuals to contribute to the work of the American Bible Society. The churches should be informed about the services of the Bible Society so they will want to share in the worthy work. The committee should keep that information before the churches. Regular reports should be made to the Promotional Committee.

11. The Committee on Fellowship.

The work of this committee is advisory only, but it should stand ready to go to any church where the fellowship is endangered or disrupted and seek to apply healing oil to spiritual wounds to the end that our churches shall be united in Christian fellowship, and it should seek to prevent some church or group from being led away by an unscriptural hireling. Reports should be made regularly to the Promotional Committee.

12. The Program Committee.

The duty of the Program Committee is to plan the program for the annual meeting of the Association and bring it to the Promotional Committee meeting in July for discussion and approval. The committee should begin its work well in advance of the meeting of the Association and should make sure that those requested to make reports are prepared and on hand. Copies of the program should be prepared and distributed to the messengers and visitors at the Association.

13. The Committee on Ministers Retirement Plan.

This committee should seek to inform pastors and churches about the Ministers' Retirment Plan and encourage both pastors and churches to cooperate in the plan. The committee can go before dea-

cons in their meetings or to church conferences when invited and encourage participation in the plan; and when it seems wise or necessary, the committee may offer to explain the plan to pastors or churches where or when invitations for such services have not been received. In all cases the work of the committee is to offer helpful service in promoting this much needed plan. Regular reports should be made to the Promotional Committee.

14. The Budget Committee.

This Committee should keep a close watch on the needs of the Association for an adequate budget, for a well balanced program of work and should be prepared to bring to the Association in annual session a proposed budget for the new year based upon the needs of the Associational program of work and upon the ability and willingness of the churches to support the proposed budget.

15. The Committee on the Reception of New Churches.

It should be the work of this committee to make proper investigation of the churches that express a desire to affiliate with the Buncombe Association concerning their being orthodox in faith and cooperative in spirit and to report to the Association in annual session their findings and recommendations concerning the reception or rejection of such churches.

16. The Committee on Calendar of Activities.

This Committee should work with the associational missionary in studying carefully the program of work by the Association at large, including the work of all the associational organizations and committees, and the needs of all the churches, and in the light of this study, work out an annual calendar of activities for the Association to be presented to the Promotional Committee for approval not later than the January meeting of the Promotional Committee.

17. "Finance Committee" — This Committee shall have three members. They shall see that all expenditures are kept within the budget, and supervise all financial matters. This Committee shall counsel with the Financial Secretary during the year concerning the items in the budget to the end that the Association may be kept in a healthy financial condition. It shall be the duty of this committee to see that the Treasurer and Financial Secretary are properly bonded and that an audit of the books be made at least once each year.

18. "The Nominating Committee". This Committee shall recommend at each annual session of the Association all officers except the Moderator and Vice-Moderator.

19. "Home For The Aging" Committee: The work of this Committee is to encourage and to assist our churches in their support of our Home for the Aging.

REPORT OF WOMAN'S MISSIONARY UNION

Woman's Missionary Union has continued to limp along during the past year with 59 societies being reported against 58 the preceding year. This means there are 29 churches with no WMU organization.

The total number of organizations reported at the close of 1959 was 197. This included 22 YWA's, 32 Intermediate GA's; 39 Jr. GA's; 3 ungraded GA's; 21 Primary Sunbeam Bands; 15 Beginner Sunbeam Bands and 7 ungraded Sunbeam Bands. Nine churches reported having Sunbeam Nurseries with an enrollment of 85. The total enrollment for all was 3,913.

The number of mission study books taught was 247 and 1,472 members reported reading a book on missions. One hundred forty-two organizations observed at least one of the seasons of prayer and 155 organizations participated in some form of planned community missions. Reports show that 2,947 members contributed to the Cooperative Program and there were 1,745 tithers.

Gifts to the Lottie Moon offering amounted to more than $27,000.00 which was a large increase over the year before. Reports are too incomplete to give the amount of the Annie Armstrong Offering inasmuch as there was snow in March!

The WMU has cooperated with the Association-wide program and has met monthly, except in June, in conjunction with "Associational Night". The attendance has been fairly encouraging. Leadership conferences were held last fall with an attendance of over 300 and plans are in the making for similar meetings this fall. The YWA Council under the leadership of Mrs. Lynn Buckner has met quarterly and the GA's under the direction of Mrs. Weldon Chandler had a houseparty at Mars Hill College last fall which exceeded all expectations in the matter of attendance. The Sunbeams held their rally last summer under the leadership of Mrs. L. M. Becton, and they are planning a day camp for eight year olds on August 18th.

The annual meeting of the Associational WMU was held at Grace Baptist Church with an attendance of 160. Mrs. Roy Chamblee, Missionary, Mrs. R. P. Stroup and Miss Sara Ann Hobbs were guest speakers. At this meeting officers were elected and we welcome Mrs. Erskine Plemmons as new GA Director; Mrs. W. E. Shipman, Mrs. Robert Clayton and Mrs. Lester Crayton new District Leaders. We have had the misfortune to lose Mrs. Edward G. Altland, our Vice President, who has moved to another Association.

This word to the pastors if any of them should happen to read this report. The WMU should be considered as a church organization just as the other organizations of the church are and therefore is deserving of the interest and support of the pastor as do the S. S., Training Union and Brotherhood. Unless and until this comes about we will continue to limp along in the same old way and there will continue to be a lack of interest on the part of those eligible for membership. There should not be 29 churches in the Association with no WMU organization of any kind and we are inclined to say as goes the pastor so will go these organizations.

Respectfully submitted,

Vonnie E. Lance, President

ASSOCIATIONAL COUNCIL LIBRARIAN'S REPORT

Our Council has been meeting each quarter in different churches and will meet at Ridgecrest during the Library week up there on the 27th of August. Our November meeting will be with the First Church, Black Mountain. Next year we will try meeting during the Associational Night meeting once a quarter.

We now have 90 churches in this Association and are happy to report 25 of these with libraries or in the process of starting one. The following churches have signified that they want a library, and some have already gone to work, electing a librarian and appointed their committee:

Jupiter—Rev. Rex Collins, pastor; Mrs. Troy Herron, Librarian.

Morningside—Rev. J. A. Buckner, Pastor; Mrs. Fred Branch, Librarian.

Victory—Rev. Thomas Young, Pastor; Librarian to be elected.

Ridgeway—Rev. A. N. Hollis, Pastor; Librarian to be elected.

Trinity—Rev. J. H. Black, Pastor; Librarian to be elected.

Revell Mission of Asheville First—Rev. James Parham, Pastor; Mrs. W. W. Wells, Librarian.

Mount Zion (Colored)—Rev. J. W. White, Pastor.

Our Council is growing in interest and enthusiasm. There is also a growing interest among our churches as well as with the ministers and laymen, and one reason is the MOBILE BOOK CABINET. Now any church that wants a library can have one with very little cost. We have several of these cabinets in use now and more are being built.

Libraries are becoming a MUST in live wide-awake churches which are anxious to see their members grow spiritually and know more about our work and what Baptists believe.

Let us READ more, LEARN more to KNOW more about the Will of God for our lives. We need more light. You know lights are going out all over the world, the Communists are taking over country after country and preaching there is no God. Catholicism wants to put all of us into the Roman Catholic church and do away with our churches and free schools. The devil is working hard and wants to take all of us to hades and the lake of fire.

Our lives will never amount to anything until we see and learn the Will of God for our lives. Light is revealing, darkness is damaging to our souls. "Men love darkness rather than light because their deeds are evil". So let us help make this world a better place in which to live and rear our children and young people by starting libraries in every church in this Association, thereby giving our young people a chance to know God's Will in their lives that they may let their light shine for Him.

Matthew 6:33 "But seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you".

Respectfully yours,

M. H. Cox, Librarian

Buncombe Association Council

ANNUITY BOARD REPORT

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called the Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastors death, the widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastors salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

At present, 36 churches in our Association contribute to this phase of our work. This is a denominational program and deserves the support of all the churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our Association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

Respectfully submitted,

W. A. Wallace, Chairman

VACATION BIBLE SCHOOL — 1960

No. of Schools	77
Enrollment	10,357
Professions	287
Mission offering	1,745.03

The following Churches reported having a Standard School: Arden, Beaverdam, Pole Creek, Reed Memorial and Westwood.

Miss Pauline Snelson spent 8 weeks working personally in ten schools and helping many others in planning and preparing for their school. Many contacts were made in an effort to get all the reports in. Miss Snelson traveled 1,728 miles and according to her own words "it was better than a vacation".

SUNDAY SCHOOL REPORT

There has been an increased attendance at the Associational Sunday School meetings this year, especially during the first few months of the year. This increase in attendance has been largely due to the "Association Night" plan which was adopted at the associational meeting last August. The adjustments of this plan which are being brought to the Association this year, if adopted, will probably further increase attendance at Associational Sunday School meetings.

During the past year, ten associational Sunday School meetings were held at various churches in the Association. Meetings were not held during December and May (So many pastors and other leaders away at the Southern Baptist Convention). Some of the special topics presented at the meetings were: "Activities For Young People In The Smaller Churches During the Summer", "Evangelism In The Sunday School", "Variety In Teaching Study Courses", and "Maintaining Strong Preaching Attendance During The Summer".

An Associational Bible School Clinic was held in April at the Reed Memorial Baptist Church with 188 in attendance.

S. S. Superintendent

TRAINING UNION REPORT

Training Union has a long history, dating back to 1895 when when B. Y. P. U. was first organized for young people only. The name Baptist Training Union was adopted in 1934. Since 1936 some one has been in the Training Union Department of the Sunday School Board in charge of Training Union promotion.

These leaders felt that the associational Training Union could best promote the work in the association. Harvey T. Gibson has said that establishing a Training Union in all of the dark churches is the opportunity and responsibility of the associational Training Union. Your associational officers, who are all busy in their own churches, invite you to help them in this big undertaking.

These officers have felt their responsibility and have tried to promote the work according to the plan laid out by the Training Union Department. Each quarter an executive meeting, and officers and leaders' conference, and a mass meeting have been held.

A large number of our churches observed Youth Week, climaxed by Youth Night with the largest attendance and the best program in the history of Youth Night in our Association. Young people and intermediates receive excellent training by this program. More of our churches should promote it.

We are glad to report that contests were held this year for each age group. Our Association was represented in all the tournaments at the Regional Convention consisting of eight associations. At this meeting, held in Spruce Pine, we had recognition as follows: Mrs. Ruby Bowman of Reed Memorial was winner in the Adult Scripture

Reading. Mr. Don White of Calvary won second place in the Better Speakers Tournament. Miss Trudy Gilreath of Calvary was the winner of the Intermediate Sword Drill. Our Association was represented by 35 Juniors in the Memory Work Tournament. It is hoped that more churches will take advantage of these methods of training during the coming year.

Our Association has been represented at Ridgecrest and at the State leadership assemblies at Caswell and at Fruitland. 34 of our Juniors were state winners in memory work at Fruitland. Thanks should go to those leaders and parents who have realized that memorizing scripture is valuable training, and that the junior is at the impressionable age.

Our Association won recognition as having the largest number of people receiving the "Award of Merit" at the close of last year. May we urge all of our churches to give the same kind of support to the new "Study Course for Teaching and Training". It is designed to increase rather than decrease our studies. All churches should promote two or more study courses each year, and include Training Union methods for they are the "know-how" books for our Training Union work.

The Central Training School was not completed on account of the weather conditions, and only three of the districts observed "Membership Training Week". We are not proud of this part of our record.

Training Unions have been organized in five churches this year. But more than 20 churches yet do not have a program of training for their people. Let us work and pray until all of our churches have training for all the members.

"M" night attendance, which had gradually increased for the five past years, fell back this year on account of the snowy weather. May we strive to reach our previous high attendance mark of 1378. "M" night this year will be on December 5th with Dr. James Potter as the speaker.

Those who have been chosen to work in Associational Training Union will want your prayers, your support, and your attendance at the meetings where we strive to keep up to date in methods of procedure, to promote the standards of work, and to co-operate with our denomination's program. We ask your help in promoting the entire Baptist program, and in helping other churches whenever possible.

Mrs. F. C. Miller, Director

BUNCOMBE ASSOCIATIONAL BROTHERHOOD REPORT

Quarterly meetings were held at the following churches: Riverside, Biltmore, Black Mountain and Gashe's Creek Baptist, with our annual clinic at Morningside Baptist.

Programs were presented on Evangelism, Sunday School and Training Union, Royal Ambassadors and Missions. Emphasis throughout the year has been "teaching and training" with special emphasis on the 30,000 movement.

Our objectives this year were the same as the year before, namely:

1. To inform and challenge the men of our Association to the need for dedicated workers.
2. To create more interest in our Royal Ambassadors.
3. To help in organizing Brotherhoods and Royal Ambassador chapters throughout the Association.
4. To hold a Brotherhood and Royal Ambassador clinic to train the officers of each.

Dr. Frank Martin, our Royal Ambassador leader, reports satisfactory gains have been made. However, much more can be accomplished by our men taking advantage of our training programs and realizing the needs of our youth.

Several churches were visited in an effort to establish more Brotherhoods and Royal Ambassador chapters and we are glad to report several Brotherhoods and Royal Ambassador chapters have been instituted this year.

Our Executive Committee meetings were well attended by our officers and at least one or two members of our Advisory Committee were present each time. The assistance of the Advisory Committee was greatly appreciated, as well as those who took part in presenting our programs.

Several comments have been made in regards to the drop in attendance at our quarterly meetings, which was very noticeable at our last meeting at Gashe's Creek Church, and it was the consensus of opinion that this was caused by the late hour of meeting, (8:30-9:30), that was set aside for the Brotherhood. Therefore, we would like to suggest that our Brotherhood Quarterly Meetings be set for 7:30 and last at least one hour and fifteen minutes in order to have a full program with more in attendance.

W. A. Shelton,

Buncombe Baptist Association

Brotherhood President

REPORT OF TRAINING COMMITTEE

One half of the Associational year has fallen in the 1960 Southern Baptist emphasis on Teaching and Training, and has given added incentive to this phase of our work.

However, the schedule did not coincide as well with favorable weather, and the Central Training School had to be cancelled after two excellent sessions. There were approximately eight hundred from fifty-three churches enrolled when the snows came.

A number of individual churches later picked up where the Central School stopped and were able to complete a number of the courses. Individual home study also added to the number of awards received.

In order to seek to get away from the inclement weather which seems to prevail in February and March, the committee recommends that the Central Training School for next year be held January 30 - Feb. 3, 1961. It will be held in connection with the annual leadership revival.

A further recommendation of the Committee to the Committee on Committees has been that a Co-Chairman be appointed for the Training Committee. The purpose of this is that one chairman be responsible in particular for the Central Training School, and the other responsible for Training within the districts and local churches.

With the advent of the new Southern Baptist Training plan entitled the Church Study Course for Teaching and Training, millions of study course awards are having to be transferred to the new record system. This has entailed such a tremendous task for the Sunday School Board that we have been unable to receive an accurate account of the awards received in our Association.

Respectfully submitted,

Alden Angline, Chairman

ASSOCIATIONAL CHURCH MUSIC REPORT

The following activities were sponsored by the Music Committee during the past Associational year:

In August the Associational Church Music School was held at the Asheville First Baptist Church, with twenty-seven churches participating. There was an enrollment of 284, with an average attendance of 197. There was ten on the faculty, including Mr. Frank Charton, Secretary of Music for Tennessee, and Mr. Harvey Woodruff from Charlotte.

On September 21 and 22 the Associational Music Director attended a State Music Planning Meeting in Raleigh. The Planning Meeting for the Association was held at Calvary Church on Monday, October 12th.

The Associational Director, and others from the Association, attended the State Music Meeting preceding the State Convention in Greensboro on November 9th.

The Associational Christmas Carol Sing was held at Westgate Shopping Center on Wednesday, December 23rd, with an attendance of over 150.

Two Music Study Books were taught during the Central Training School the week of February 29th.

The Regional Choir Festival was held at Calvary Church on March 24 with the largest participation from our churches in the Association. Most of these went on to the State Choir Festival at Winston-Salem on April 23rd.

In addition to these general meetings, several music committee meetings were held during the year. Also, many of our people in the Association attended the music leadership weeks at Ridgecrest and at Caswell.

We urge that each church initiate a local training program during the coming year, either with music classes, a school of music, or attending a school of music in another church. Call on the members of the Associational Music Committee should you need help in having a school. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership Weeks at our State and Southwide Assemblies.

Carl Perry,

Music Director

HISTORIAN'S REPORT

There has been much of a commendatory nature to take place in our Buncombe Association during the past associational year. This is readily apparent in a study of the digest of church letters. But there are other matters of record which are of great interest to us all. Let us make a few observations.

Pastoral changes have taken place as follows: Geoffrey D. Knott is now pastor of Cumberland Avenue; C. R. Pierce, Jr., Grace; William D. Fox, Reed Memorial; W. F. Wagoner, Beaverdam; Francis Lunsford, Sand Hill; A. T. Usher, Black Mountain First; William E. Nelson, Buena Vista; Glenn Short, Edgewood; Lester Crayton, Gashe's Creek; W. R. Moss, Kerlee; George Burchette, Long's Chapel; James C. Jetton, Macedonia; Homer Tomberlin, Morgan Hill; Cecil M. Perry, Mt. Carmel; William A. Wallace, New Bridge; Grady Freeman, New Liberty; Vernie Burrell, Paint Fork; Hobart McFalls, Pine Burr Park; Neils F. Larsen, Ridgecrest; Howard E. Laney, Starnes Cove; Clyde Parham, Anderson Cove.

M. D. Smith, pastor of Hominy Church of Candler, was presented the outstanding mountain minister award by the Clear Creek Baptist School, Clear Creek Springs, Pineville, Kentucky.

Morningside, formerly Chunn's Cove moved into its new building in October, 1959. Berea is in the process of building a new sanctuary. Buena Vista's new building is progressing nicely.

Fairview is in the process of completing a new educational building to cost $35,500. Trinity is working on its educational building.

Grace has purchased property at the corner of Fairfax and Wells Avenue which has been occupied as a youth building. West Asheville has purchased, for $31,500, 5.4 acres adjoining its property to be used for parking space and as a recreation area. Sunrise has purchased additional land for parking space. Long Shoals has purchased 7 vacant lots adjoining its church property.

Reed Memorial has purchased a new pastorium.

Revell Memorial Chapel and Parkway Nursing Home are being operated as missions of First Baptist of Asheville. A mission Sunday school is being conducted by Westwood for patients of the Orthopedic Hospital. Calvary helped pay the salary of the pastor of State Street for almost a year.

A special committee, composed of Perry Crouch, Nane Starnes, A. N. Hollis, Tom Young, Erskine Plemmons, Woodrow Flynn, Lawrence Pruitt, and Charles Smith, are engaged in the work of recommending an enlarged program of work for our association and recommending a missionary for election.

W. Lawrence Pruitt,

Historian

REPORT ON EVANGELISM

To make a report on Evangelism really involves the emphasis of our entire church program. For more and more we are coming to realize that Evangelism cannot be limited to the Sunday morning worship service or both worship services on the Lord's Day. We have been rather slow to comprehend that the spirit of Evangelism must pervade every coming together of every segment of our church life.

When such an attitude becomes a vital part of the entire church organization we can better understand the true function of the mechanics of our churches. Sunday School will have its proper evangelistic emphasis; Training Union will fulfill its true reason for training; the Woman's Missionary Society and Auxiliaries will have the same dominating theme; and the Brotherhood will understand its true mission. It is a glorious thought that the day will come when such an emphasis will pervade the work and training and worship of all our New Testament churches.

Let us keep before us the 30,000 movement and the effort to establish mission points, preaching stations, and churches wherever there is a need. Perhaps we do not have as many areas of need for such establishments in our section as in some other sections, but we ought to be sure that none are overlooked or neglected.

An Associational Clinic on Evangelism was held at the First Baptist Church, Asheville, on February 8, 1960. There were seventy representatives present from the churches of the Association. Another such clinic is planned for February 6, in the First Baptist Church, Asheville. If this meeting is going to mean all it can and ought to mean, the pastor, the Sunday School Superintendent, Training Union Director, Woman's Missionary Union President, Brotherhood President, Music Leader and interested persons from each church should be in attendance.

Finally, attention is called to our Baptist Jubilee Advance — 1961-1964. A very vital part of this all-out effort for our Lord is the Baptist Jubilee Revival emphasis. Every church in our Association at the main business for which Christ established His church is our great concern.

Committee on Evangelism,

A. T. Usher, Chairman

COOPERATIVE PROGRAM REPORT

The Cooperative Program is the recognized channel through which Southern Baptists are ministering to the spiritual and material needs of the world. Through such a channel all of us are assured of having a part in the Great Commission.

From January 1 through June 30 of this year North Carolina Baptists have increased their giving through the Cooperative Program by 8.68%. Such trends are evident all over the Southern Baptist Convention as more and more of us are being awakened to the needs of the world and the demands of our Lord. Still, Southern Baptists are below the national average of all major religious groups in per capita giving.

As this report is being prepared, the latest available figures of contributions for the Buncombe Association cover the first quarter of 1960. We are sorry to report that 42 of our churches, or 46%, gave nothing through the Cooperative Program. However, 14 of these churches made designated gifts, which means that 31% of the churches in our Association gave NOTHING to denominational causes through our convention during January, February and March of this year. It is sincerely hoped that subsequent quarterly reports this year will reveal a decided change and will indicate that our Association is putting its Christianity into practical action.

What can be done is illustrated by the testimony of one of the members of our Committee, Mr. C. E. Johnson. In an area whose population figures over a 10 year period reveal an increase of around 8%, Mr. Johnson's church increased its resident membership 23%, its Sunday School average attendance 74%, and its Cooperative Program giving 195%. As chairman of the Forward Program in his church Mr. Johnson says: "Thank the Good Lord all our rewards will not be on the other side of that Eternal River and I have lived to see the benefits to our church fellowship from that campaign in every area of our Christian witness, but more especially in our giving and our increase to the Cooperative Program".

Giving is a blessing and the Cooperative Program is a two-way channel of blessing. We should re-affirm the conviction that giving is a part of living. By our giving through the Cooperative Program we also become channels of blessing.

For the Committee:
William D. Fox, Chairman

1960 REPORT TO THE ASSOCIATION ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

This has been a year of change and transition for the **Biblical Recorder,** your Baptist state paper since 1833.

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carpenter who retired after 17 years in the editor's chair. Editor Grant came to the Recorder after 10 years as editor of Charity and Children.

Since the first of the year, a number of changes have been made in the Recorder, including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the Recorder was rated among the top three state papers in the Southern Baptist Convention. The Recorder staff will not be satisfied until it rates No. 1 among the 27 state papers.

For the price of a 3c or 4c postage stamp, the Recorder can come into your home each week. For only $1.50 a year, or 3c a week, the Recorder can be sent to every family in your church. For 4c stamp each week, or $2.00 a year, you can receive the paper in the Club Plan of four or more subscribers in the same church.

Certainly our Baptist families are worth 3c or 4c a week. Most of us subscribe to at least one daily paper at a cost of more than $20.00 a year. For one-tenth of that amount, or less, you can get the Recorder and never miss the small amount it costs. With the many crucial issues coming up in the world almost daily, it is imperative that Baptists be informed about them. The best source is your Baptist state paper.

A continuing campaign is being made to put the Recorder in more church budgets. Deacons and finance committees are urged to consider this at the earliest possible moment. As every pastor knows, an informed membership is essential if a church makes progress.

Make no mistake about it. The printed page is going to win the battle for men's minds and hearts. The great movements of this world depend heavily on printer's ink to get their messages across. Baptists can do no less if we are to stay in this battle to win the loyalties of men and women, boys and girls.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the Biblical Recorder and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, corruption and darkness will reign."

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike — the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church — not for the hospital, but for sick people who are in need.

Sometimes we may have been guilty of saying "no" for someone else, but let us give everyone an opportunity to give to our hospital, and if any "no" is said, let the individual do it. This is the Lord's work, so let us support it in the spirit of love as He has loved us.

THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The Baptist Children's Home of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the Churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes, affords case work services throughout the state. Individuals, families, pastors, and Churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Cooperative Program 31.5 per cent, Thanksgiving Offering 31.1 per cent, Once-A-Month Offerings 21.9 per cent, Special Gifts and Endowments 15.5 per cent.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of Charity and Children, June 1, 1960. We invision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

This has been a year of transition for the Homes for the Aging. Mr. J. M. Hayes, the general superintendent, after nine wonderful years with the Homes is retiring.

A committee was appointed to recommend a new general superintendent. The Rev. William A. Poole, pastor of the First Baptist Church of Graham, has been elected and has accepted.

The new Infirmary Annex is nearing completion. The Cost will be approximately $215,000, counting construction, $193,034, equipping and landscaping. Infirmary equipment is very expensive. It is estimated that the equipment will cost around $20,000.

The new building will be ready for occupancy, August 1, and it is estimated that about one-half of the cost will be paid. The balance will have to be financed unless North Carolina Baptists will show their appreciation of these new facilities to minister to our invalid residents by sending sufficient gifts to meet the balance needed.

The Special Offering goal of February 21st, for the Homes was set at $200,000. The total amount received to date (May 31) from the churches and individuals was only $75,000.00. Due to the snow and bad weather the goal was far short. There is a movement on to change the offering date from February to the third Sunday in September.

Plans are now under way for a new Home for the Aging in Eastern Carolina at Hamilton, Martin County.

With three Homes now in operation — Headquarters Building and Resthaven, Winston-Salem and the Baptist Home at Albemarle, and with the Infirmary Annex under construction, and with the prospect of the new Home at Hamilton, we can see something of the pressing needs of our Baptist Homes for the Aging.

May we of the Buncombe do our share in helping our Baptist Homes for the Aging to meet the great challenge of caring for the aged and infirm.

REPORT OF THE AMERICAN BIBLE SOCIETY

In 1959 the churches of some 55 denominations gave $955,135 for the work of the American Bible Society. This with gifts from individuals, annuities, and legacies, enabled the Society to aid in the translation and revision of Scriptures in 40 different languages. The total number of languages in which some part of the Bible has been published has now reached 1,151. Of the Scriptures in 15 new languages, 10 were published by the American Bible Society.

The year 1959 saw a record distribution of Scriptures by the American Bible Society, the total number of volumes being 17,650,917. Ten million of these were distributed within the United States.

For the blind in 50 languages, including 4 languages of Talking Book Records, 65,134 Braille volumes and Talking Book Records were distributed, an increase over 1958 of 3,738 volumes.

The Society provided Scriptures in 40 languages for Africa, a new Van for work in the Congo. Distribution in Latin America increased over 400,000 volumes to a total of 3,813,718, and distribution in Japan reached 1,947,944 volumes.

One thousand and forty-one Finger-Fonos were issued in 1959, along with 43,615 records of Scripture passages in 18 languages. The increased interest and the use of the Finger-Fono for carrying the Gospel message to illiterates is greatly appreciated by the missionaries on the field. Three Finger-Fonos with a set of records in a particular language can be placed in service on the field for $10.00.

The Society carried the message of the churches to the 10,900 inmates of the North Carolina penal institutions and road camps through free grants of Scripture portions at Easter and Christmas.

The Society also made available to the churches the Wayside Gospel Dispensers with Scripture portions for distribution in public places to reach the non-church goers. This Wayside Gospel Dispenser project has been repeatedly commended as an effective project in community evangelism. It continues to be our hope that more churches will use this project to give a concrete expression to their vital concern for the spiritual life of the community.

It is RECOMMENDED:

1. That every church in the Association make contributions through the State office designated for the American Bible Society. The Bible Society is not included in the Cooperative Program.

2. That church groups and individuals find the place in their community and supply the Scriptures through Wayside Gospel Dispensers as an evidence of the concern of Every Baptist church for the non-church goer.

Respectfully submitted,

G. H. Shope, Jr., Chairman
